Birmingham Tank Squad Defeats Port Huron; Loses to Pontiac

BY ROY HORNE
In dual swimming meets last week, the Maple tankers successful at home, trouncing Port Huron 65-17, but met defeat at the hands of Pontiac 48-36 in an encounter in the Chiefs' 20 yard pool last Friday.

Birmingham copped all nine first places against Port Huron as well as picking up five seconds. Many Maple reserves swam in this meet to gain experience for future seasons.

PORT HURON WAS represented by a nine-man squad, being greatly handicapped by limited pool facilities. Maple winners were Darrell Perry, Benson Lake, Bill Anderson, Fred Page, Don Goldsmith, Jerry Fletcher, the medley and the free-style relay teams, with a tie in the diving between Larry Coleman and Gordon Yates, both locals.

The Pontiac meet was a thriller all the way, with many races decided by a few inches. Marc Joslyn dropped from the ranks of under-

180 yard medley relay: Pontiac (Paddock, Flynn, and Walker), Birmingham (Fletcher, Spademan, and Joslyn); time 1:52.2.
160 yard freestyle relay: Birmingham (Schwarz, Fremody, Newman, and Osterbeck), Pontiac (Hawisher, Tuttle, Cleveland, and Rescoe); time 1:24.0.

Cranbrook Students Receive Training In Safe Driving

Birmingham and Bloomfield Hills residents may be safer in the future because of a safe-driving campaign at Cranbrook school. Two special safe-driving movies have been shown to the entire school in assembly, and several more are planned.

In addition, Grant Arnold, traffic manager of the Detroit Board of Trade, will speak to the school this term on the subject of safe-driving.
A driver-training course is open to Cranbrook students, and also to Kingswood school students. Those taking this special course receive preliminary classroom instruction, followed by actual driving in a specially-equipped dual-control car. At present, 33 boys and girls are participating in this program under the direction of B. N. Grba.
