# Long-term investment that pays daily dividends

THESE are days when thoughtful people turn their minds to the durability of things they purchase—and that makes good sense at any time.

But you may have noticed that it's a rare occasion when doing your duty turns out to be the best way to satisfy your heart's desire.

That's what's so marvelous about this '51

If you picked a car just for the lift it gives you-your pride in its power and pace — or its generous comfort and room — you couldn't make a better choice.

But make note of this:

That gleaming new push-bar forefront, which greens your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed, Combined with a massive, wrap-around bumper, fortressed by two stallwart "bumper bombs" and two added uprights, it gives unsurpassed

The springs of stout spiraled steel on all four wheels let your wheels dip and currsey over uneven highways, while you ride level as a lance. But these springs also need no servicing, and breakage is virtually

Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your ros—but it also wrings extra power from every drop of fuel, and has the méchanical perfection that comes only from years of experience with this basic design.

Dynastow Drive gives every mile you drive effortless smoothness of control-but it also eliminates clutch repair bills, saves tires, puts less strain on the whole driving mechanism, from engine to differential.

The road-steady gait of a Buick gives you a

sense of relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you.

However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the yeary same things that make Buick such a smart long-time buy.

Better make it a point to see your Buick

No other care provider all this: DYNAFLOW DRIVES . FIREBALL POWER .
