Start College, Munn Advises High School Athletes at 'Bust'

At the Fourth Annual Oakland County Spartan Foundation Football Bust, held at the Birmingham Community House Jan. 31, Michigan State College alumni had as guests 58 high school football players representing nearly every high school in the county.

Harold H. Gasser of Birmingham was toastmaster. Clarence "Biggie" Munn, head MSC football coach, advised the boys to plan on going to some college immediately in spite of unsettled world conditions and possibility of an early draft call. He reasoned that in so doing a boy would get a taste of college and would return from military service with a strong desire to continue his education.

Color pictures of the 1950 Michigan State-Notre Dame football game were shown. Steve Sebo, MSC freshman coach, handled the commentary.

Birmingham YMCA Junior Five Loses

Ray Smith, lanky center of the opposition, scored 32 points to prove his team. Both sides substituted frequently.

Jack Benny saves many a penny ... with his modern Electric Range!

Jack Benny, star of "THE JACK BENNY SHOW" heard every Sunday over CBS, coast to coast

"The mythical Jack Benny of the radio isn't really stingy—he merely hates to spend money," says Mrs. Benny (Mary Livingstone) to all her radio fans, "but although the real Jack Benny is most generous, he still considers our Electric Range real economy."
"Sure—you have economical operation with the modern Electric Range—but that's only one feature; it's almost human—different from any range you've ever tried. You don't guess at the cooking heat. Flip a switch, and you get just the heat you need. You don't peek or watch while things are in the oven. You know the automatic controls are doing that for you. Nothing new to taste—except how much better, how much easier cooking can be when you have a modern Electric Range! You can hear all about it at your dealer's!"
