Visit In Sweden Discussed By Club's Guest Speaker

Mrs. Myrtle Labbitt, radio commentator and lecturer spoke to the Birmingham Garden club members Monday on the subject, "A Sweden Without Reservation". Mrs. Darwood Gamble, president of the local branch of the National Woman's Farm and Garden association, presided at the regular monthly meeting which convened at 1:30 p.m. at the Community House.

Following the business of the day, Mrs. Gamble turned the meeting over to the club's international relations chairman, Mrs. Alvin H. Knorr. Mrs. Knorr introduced the speaker, whose lecture was illustrated with colored slides taken in England, Norway and Sweden.

MRS. LABBITT was chosen by the Michigan State branch of the association as its representative for this tour. Mr. and Mrs. Labbitt flew with their camera from Windsor, via Labrador, England and Norway, to Sweden.

Mrs. Labbitt pointed out that due to the short season in Norway and Sweden, nature steps up the tempo and all vegetables, fruits and flowers are ripening and blooming together. She pointed out that the geranium is the international flower.

SHE CLOSED HER TALK with a quotation, given her by a friend over there: "We have taken a tuck in time, a pleat in space, but we have got to let out the seams of our understanding," a useful proverb for international relations.

Mrs. Raymond Morgan and Mrs. Fred Zoellin were co-chairmen for a tea following the meeting. They were assisted by Mrs. Fred Segers, Mrs. S. R. Sellers, Mrs.
