MSC Football Bust At Community House Wednesday, Jan. 31

The fourth annual Michigan State College football bust, sponsored by the Oakland County Chapter of the Spartan Foundation, will be held Wednesday evening, Jan. 31, at the Birmingham Community House.

According to Harold H. Gasser of Birmingham, who has charge of arrangements, the dinner will be served at 6:45 in the main dining room and will be followed by talks and Spartan football lore by members of the MSC coaching staff.

Expected to attend is Head Coach Clarence "Biggie" Mann;

Southfield Asked To Assist in "Send-Off" Parties

A letter has been received by the Southfield township board from the City of Royal Oak asking assistance in arranging "send-off" parties for men leaving for military service.

The letter pointed out that inductees have been served a breakfast before departing on the train. In the past, some organizations in Royal Oak have been handling this, but the city of Royal Oak believes communities who are members of draft board 66 should help pay expenses.

A request was also made for a representative of the township to serve on the send-off committee.

Board members favored the suggestion, but held the matter over until next Tuesday's meeting.

In the meantime, the board hopes to get ideas from various township organizations on what should be done.

Mr. and Mrs. George W. Stookley and son Noel who have recently moved into their new home at 347 Greenwood drive, Stookley has been associated with the sales division for the Gates Rubber company for the past 12 years and manager of their Baltimore and Washington sales offices for 12 years. He has recently been transferred to their sales office in Detroit as special assistant to the district manager, George E. Holke of 263 Ravine.

Men's Club Discusses Boy Scout Troop's Reactivation Plans

WALNUT LAKE — Reactivation of the Boy Scout troop was the topic of the Jan. 5 meeting of the Men's club, present troop sponsors.

William Slost, who has been active in Boy Scout work, was named troop leader, to be assisted by Don Harrison, Jess Harper, Bill Sinclair, Ed Sinta, John Woodman, Harry Meves, Dick McKay, Orr Zahra and Bill Bishop.

It was suggested that one sponsor for both Scouts and Cubs might prove more satisfactory and a committee was named to meet

with the PTA, present Cub sponsors. Slost, Harrison, Bishop and Ernie Jacobson were appointed.

Club members heard a report by Claude Whitmer, chairman of the road committee who told them the West Bloomfield township officials were checking the petitions to have parts of Inkster and Walnut Lake roads repaired.

A special meeting is scheduled for Jan. 19, for a final reading and ballot on amendments to the by-laws.

SOMETHING NEW

SAFE

Blade Control

Circular Saw Blade

The original safety blade—operates on a radically new cutting principle (patent pending). Gives complete safety from all types of "kickback".

Reduces danger from direct injury. Shows 50% to 60% on power. Can chip, saw, saw-hut—is much cleaner.

Costs less—has longer life. Write us for literature—5 items each quarter.

Come in for demonstration—TODAY!

Local Builders Named To National Board

Two Birmingham builders were elected last week at the annual election of Detroit representatives to the National Association of Home Builders board of directors, at the general meeting of the Builders Association of Metropolitan Detroit.

Arvid C. Peterson, 1933 Holland, was re-elected to the board of directors. Chosen as an alternate to the board was John D. Harrison, 1804 Derty.

We Heard It Said By—
Milt Benz, local airport owner and operator: "Our airport, and many others, currently are receiving increased demands for flying training from young men who face military service. In World War II the Air Force accepted men for training who had no actual flying experience. They would put them through lengthy academic training, then try them for flying ability—many of them proved incapable of handling airplanes so the expense of training them was lost. Today the Air Force gives them flying lessons to begin with, and young men who learn how to fly light airplanes have the better chance to make progress in the Air Force."

Ample Parking Space Available

You're Invited to the opening of the new FERNDALE BRANCH of FIRST FEDERAL SAVINGS of Detroit during opening week—January 23 to 26

This new branch on Woodward south of 9 Mile Road makes First Federal's services readily accessible to the communities north of Detroit.

First Federal Savings of Detroit is Michigan's largest savings and loan association, and one of the largest in the country, with assets now exceeding \$68,000,000. We are members of the Federal Home Loan Bank System and of Federal Savings & Loan Insurance Corporation, a government agency that insures savings accounts here to \$10,000. Your savings are invited—any amount opens your account; current earnings are at the liberal rate of 2%; savings and withdrawals can be made by mail if you find that convenient.

These helpful First Federal services are offered, also: Christmas Savings Club • Home Mortgage Loans • First Federal Money Orders • American Express Traveler's Checks • Sale and redemption of United States Savings Bonds.

SOUVENIR GIFTS DURING OPENING WEEK

The first 500 people who visit our new branch will be given a free Fun to Save Book, worth 50¢ at retail. It has colorful illustrations of circus folks, and slots for coins to teach thrift to the youngsters. There are other useful gifts for all who visit us during Opening Week.

SHEAFFER FINELINE PEN AND PENCIL SETS

This nationally known, attractively styled pen and pencil set, nicely packaged, is given free if you open a savings account here with \$10 or more, during Opening Week. There is no advertising imprint on pen or pencil; you can use as a welcome gift or keep for your own use.
