

Air Raid Drill Starts Baldwin Defense Program

BY MARY RICHARDS

The Baldwin defense council took the first step in its program for preparedness in case of an emergency with an air raid drill last week.

The drill was carried out by representatives from each home room who make up the defense council in Baldwin. At the ringing of the signal, the students quietly filed to the basement floor, where a designated station was assigned to each room with one council representative at every point.

COUNCIL MEMBERS who participated in the drill were Marilyn Hurs, Kay Robinson, Kit Morgan, Gordon Shira, Sara Stringer, Charlene Wiley, Paul Triche, Marilyn Berger, Cecel Hindley, Bud DeLora, Tom Lenane, Suzanne Jones, David Howell, Jeannette Hart, Claire Anderson, Margaret Norris, Gordon Match, John Oster, Dave Campbell, Colin Gagnin, David Hershey, Carol Downan, Don Rabbit, and Don Evans.

A second step was taken by the city defense council in the organization of a first aid class which began this week. Teachers from each school will attend these classes to meet once a week for six weeks.

On completion of the course, those who take it will receive instructors' certificates. Physical education teachers from Baldwin and Barnum will then begin a training program as part of the class work for their students.

Cranbrook JV Cage Team Drops Game To Patterson

A fast-breaking Patterson College basketball team of Windsor, Ont., easily defeated the Cranbrook Junior Varsity Tuesday by a score of 63 to 43 at Cranbrook. Patterson employed a two platform system and a deadly fast break and never let Cranbrook threaten.

Jim Newton of Patterson, led the scoring with 18 points. Charles Cunningham topped Cranbrook's scoring with 11 points followed by Bill James and Tom Plum with 9 points each.

Patterson killed on 47% of its shots while Cranbrook had only 24% accuracy. This was Cranbrook's third defeat in four starts.

Port Huron Reserves Drop Maples 43-17

BY CARVER HENDRIX

The Birmingham reserve quintet was soundly defeated last Friday night at Port Huron when the Big Reds scored 32 points to the locals eight in the second half, to pile up a 43-17 count for the game.

The first half was slow with little scoring by either team, ending 14-14 at the half.

When the second half opened, Port Huron's Jim Dickinson with 15 points and Frank Moellen with 20, put the game on ice in short order. The Maples had a tough night for scoring, no one making more than one field goal.

The reserves also dropped their game at Redford Union last week by a score of 37-27.

responding secretary, Sterling Wilkinson; recording secretary, Dave Beatty; and treasurer, Stu Scheffe. Remaining elections will be held before the new semester begins.

ROOMS WERE finally emptied of boxes of clothes when the juniors had a very successful rummage sale Saturday. Class spirit was displayed in this project and credit is well deserved.

Worried looks, shoe shining, car cleaning, fancy tricks, gum distributing, and homework blues will prevail when most of the sophomores become junior members of various social clubs next week. This is your last chance, kids, to be free from pestering, for a while.

As another semester comes to a close, we come up with an old quotation "nothing great was ever achieved without enthusiasm."

Cranbrook Varsity Five Drops Tilt To Hamtramck Team

Hamtramck high school's basketball squad defeated a luckless shooting Cranbrook five at Hamtramck last Friday night 50 to 29.

After a close first half with neither team able to score highly, Hamtramck began to hit the home basket. This, combined with poor foul shooting, spelled the defeat for Cranbrook.

Cranbrook shot 69 times and made 10 field goals for its score, while Hamtramck hit on 17 of 44 attempts at the basket. Cranbrook made 9 out of 25 free throw shots compared with 16 out of 22 free throws by Hamtramck. Go See It.. For an Inspiration!

You ought to go see the new Cadillac. You ought to walk all around it and look at it from every angle—and you ought to open the door and get in and sit down.

You ought to slide over behind the wheel and look out over that jewel-like dash into the exciting beyond.

And you ought to do this, whatever the car you own today—and whatever the car you expect to own.

For it will lift up your spirits and add to your faith in America's industrial enterprise and productive ingenuity.

Yes—it's an inspiration just to see it.

You look at those beautiful, flowing lines—and you can't escape the conviction that America's industrial artistry in metals is unsurpassed in all the world.

You look at the fabrics that tailor the seats and cushions—and you realize that America's manufacturing genius is unapproached for bringing luxury into everyday life.

You look at the flawless execution of every structural detail—and you have the comforting feeling that America's industrial craftsmanship is in a class by itself.

But your greatest inspiration's yet to come.

You ask the attendant on the display room floor to give you the price of the lowest-priced Cadillac model—and you find that it's easily within the means of hundreds of thousands of American families!

Where else, in all the world—you ask yourself—could there be such a blending of luxury and practicality?

And the answer, of course, is—"nowhere." It's strictly an American "monopoly."

"Since you're coming in to see the car, we won't try to tell you too much about it. But come with your hopes set high.

For here is the new standard for the automotive world. It is new in beauty, in comfort, in luxury and in performance. We'll be looking for you—some day soon.
