Property Owner, City Still \$2,800 Apart

The city and F. H. Henkel, 1080 W. Maple, will go to court to decide what he should be paid for a narrow strip of his property, plus steps rights, which are needed in the relocation and widening of W. Maple at the Rouge bridge.

Henkel wants \$5,500, but the city is only willing to pay \$2,700.

City Attorney Forrest S. Hasall believes "the city's condemnation suit will not be heard before September."

Assessment for Services

To collect \$2,416 for putting in water and sewer services for 19 lots on Henrietta between Northlawn and Southlawn, the city commission has instructed the city assessor to prepare an assessment roll outlining the charges against each lot.

Birmingham American Legion Baseball Team Defeats Waterford 8-3

The Birmingham American Legion baseball team, sponsored by Harold Turner, Inc., defeated Waterford 8 to 3 behind the four-hit pitching of southpaw Mike Groves, in the first game of the district playoffs Sunday.

Groves pitched excellent clutch ball as he overshadowed his six walks by fanning nine. Birmingham gathered only six hits but collected its eight runs on 10 stolen bases and timely hitting.

Dave Boehm led the offensive attack with three hits. He also made a fine catch of a hard hit line drive which led to a double play and the end of the game.

The local's next opponent will be Ferndale, who has already copped two tilts in tournament play.

PROTECTION for young America

Young America is exposed to accidents in almost every activity of youth, and when accidents happen, the parents' pocketbook naturally must stand the consequences.

A new accident policy guards children from 5 to 17 against accidents of any kind. It pays medical expenses—doctors', hospital and nurses' bills—and provides lump sum payments for accidents with more serious consequences.

We will gladly give you full details on the many types of accident and sickness policies available through this agency. Consult us today!
