

RECREATION ROUND-UP

Everyone likes a success story. Bob Flomstaedt of 1933 Surfside, a member of the Yank's Little League baseball team, can tell one of his own. Bob says he went hitless in the Little League until he joined the recreation program's baseball school. In the last two games he has raised his average to .300.

Whether it was the extra supervised practice or not is a question, but there can be no question of the school's desire to improve his baseball skill. The baseball school is open to all boys from 7 to 14 years of age.

All boys regardless of ability are given equal playing opportunities. The school is held twice daily on Mondays, Tuesdays, Wednesdays and Thursdays at St. James park. Training practice begins at 10:00 a.m. and the afternoon session begins at 1:15 p.m.

Rainy weather is about as distasteful to young folk as soap and water is to a small bear.

Last week's rain caused postponement of Monday's baseball activities and the rifle tournament was held in the afternoon instead of the morning. The tennis tournament was set back a day.

It should be stated in all fairness to Michigan weather, that when summer totals are computed only a few hours of scheduled supervised activity will have been missed due to rain or illness of staff members.

It might be interesting to note that the eight weeks program has a total of 13,000 hours of supervised activity scheduled.

It is unfortunate that every organization has a few wise guys attending who like to gey upon beginning youngsters. Some are told that they must avoid their mother with them during the day; or, that there will be no swimming because they can't get the water in the pool set enough; or, that they must wait for rain to fill the pool, etc.

It is a fun for these youngsters to miss a period because of this nonsense. Mothers should call the recreation office whenever stories of this nature reach home.

Result of Rifle Tournament: Age 15 and over—John Brown, 16, perfect score; Age 15 and under—Richard Ward, 11, also 100.

Other winners: Cal Hills and Roger Hawkins tied at 95 for age 13 championship. 12 year olds—Richard Hawkins.

11 year olds—Richard Ward (also won under 15 championship). 10 year olds—Mike Harper. 9 year olds—Bob Hawkins. 8 year olds—Douglas Ward.

Tennis tournament results: 32 players entered the all-city tournament.

In the quarter final Andy Fairbanks defeated Robert Stephenson 6-3; Bob Iabell defeated Tom Harris 6-2; Hank Burdick defeated Jan Brady, 6-0; Mike Cleary defeated Bob Chastler 5-6.

In the semi-finals Andy Fairbanks defeated Bob Iabell 6-0; Hank Burdick defeated Mike Cleary 6-0.

In the final Andy Fairbanks defeated Mike Cleary 6-2 for the playground championship.

Tournament Winners Trampoline

Boys: 12 years—Andy Fairbanks. 12 years—Hank Burdick. 11 years—Robert Stephenson. 7 years—Patrick Beachamp.

Girls: 12—Sandra Brown. 10—Barbara Wines. 9—Sandy Myers. Susan Nimmo. 8—Sue Kennedy. 6—Geas Vandewelder.

From all reports the Pierce school playground is passing through the summer in fine style. Its latest specialty was the holding of a pet show.

Some of the winners were Nancy and Betty Hill and their dog, Rex, who did several outstanding tricks. Others were Dave and Phyllis McNeil whose pet, Patch put on the dog; the last winner was Katie Cavanaugh's pet turtle. Another show is planned shortly.

The Recreation Board has carefully planned its mid-summer activities to be of such safeguards possible as taken

to prevent polio. Instructors have been appointed to watch for signs of sickness, such as headache, fever, sore throat, upset stomach, sore muscles, stiff neck or back, extreme tiredness or nervousness, and trouble in breathing or swallowing.

Classes are short. No activities are allowed which make excessive demands upon physical or nervous systems. Kolmer test is requested frequently by the state health department. Drinking water is provided at the rifle range.

Above all, an attempt is made to provide a happy, relaxed atmosphere where as much individual attention and worthwhile instruction as possible is given to everyone who participates.
