**New House on
 Mohegan Cited
 In Court Case**

A temporary injunction to prevent construction of a new home at 675 Mohegan has been dismissed by Circuit Judge H. Russell Holland.

Judge Holland set late July or August as the hearing date on a permanent injunction after warning the owner to continue building at his own risk.

The Highland View protective association, which initiated the court action, charges the new house with being "sub-standard" and having no garage according to Charles C. Currie, association president.

Currie said three property owners will fight the case.

This one says You've Arrived

HERE pictured is an automobile that may well be the fulfillment of any man's dream of a fine motorcar.

For you've a right to expect, when you pay a fine-car price, that your money will buy more distinction, more comfort, more performance than are to be found in vehicles of lesser worth.

So mark well the things that a ROADMASTER offers.

No other car on the American scene has a prouder bearing.

No other automobile has more spacious dimensions, more luxurious comfort, or finer appointments.

No other car has a ride more serenely smooth on curve or straightaway, highway or byway.

And no other car, at ROADMASTER's price or above, has Dynaflow, and the supreme command of every traffic condition, which it provides.

So you, at the wheel of Buick's biggest and best, have a right to feel distinguished.

But there's a joy of possession which goes deeper than visible things.

There's the feel of a power plant as brilliantly eager as this great car's valve-in-head Fireball Engine — and the satisfying companionship of a brawny traveler instantly responsive to your every wish.

And there's one thing more, which only ROADMASTER can give you in such generous measure. That is the pride of a wise investment, based on the fact that this car stands alone in price per pound, among fine cars similarly equipped.

So why not take that very important first step — and come in and see us soon?
