You'll rule the road with V-8 Power!

Ford alone, among all the low-priced cars, offers you the smooth, steady power of a five-cylinder V-8 engine. It's penny-pinching power, too, with Ford's Automatic Mileage Maker rationing out the exact amount of gas for every need. Ford's V-8 sells for hundreds less than most cars.

City Still Seeking Quit Claim Deed For Tank Property

The city is still attempting to secure a quit claim deed to remove restrictions on the use of property lying south of Oakdale street, according to City Manager Donald C. Egbert.

In the deed by which the city acquired a portion of the tank site and the property which is an extension of Oakdale avenue, the eastern 50 feet was designated for highway purposes.

The city is attempting to secure a quit claim deed to remove the restriction regarding the use of the site.

The city manager said legal technicalities are holding up negotiations.

Photos must be submitted by noon each Friday to insure publication the following Thursday.
