

# WE FATHERS

Like to do things the easy way or have things done for us. So here are a few ideas we would have you consider FOR US.

1. Cook us a good steak on a simple easy to handle OUTDOOR GRILL.
2. Give us a FOLDING TABLE complete with seats—fits in our like a suitcase.
3. A set of HOSNAPS that eliminate the endless screwing on and off of hoses, sprinklers, nozzles, etc.
4. Reduce our high blood pressure with HIGH POWER PRUNING SHEARS.
5. Make spraying and weed killing fun with the marvelous INSECT-GUN.
6. CAST IRON PLATES for the permanent outdoor grill (for eggs, pancakes, etc.)
7. Leaves are a pain-in-the-neck—BUT—not when we own a SPRINGFIELD LEAF SWEEPER.
8. Even a LEAF CARRIER would be elegant.
9. A folding LAWN CHAIR a child can set up and father can readily loaf in.
10. He will enjoy cutting the grass with a REORUNABOUT—or you can cut it for him easily with this machine.
11. We can't tell you of all the things we would like to have so we suggest that you look at

Now that you're buying "for keeps"—  
*Buy the newest new car of them all!*

As every thoughtful person knows: the car you buy today is a car you should be proud to own "for keeps!"

In times like these, it's actually extravagant to buy a lightly built car that begs for frequent trading.

That's the big economy reason why so many far-sighted buyers are now taking the easy step up to their first Packard.

And here's what they enjoy. Exclusive, award-winning beauty to keep it distinctive, regardless of its age! A listingly new brand of performance from America's highest-compression eight and Packard's exclusive Ultramatic Drive. A matchless combination of gentle smoothness and firm, road boggling safety with Packard's famed Limousine Ride. All backed by the greatest durability record in motoring.

Of all the Packard built in the last 52 years, over 90% are still in service! (See details in official report to buyers without expense.)

It's more than a car—it's a **PACKARD**
