

Contestants and Spectators To The GOLF TOURNAMENT AT OAKLAND HILLS COUNTRY CLUB ON THE ROAD BETWEEN LAHSER AND TELEGRAPH ROADS Friday and Saturday—June 14th, 15th and 16th.

Professional and amateur golfers tee off at Oakland Hills Country Club, the famous country club has been selected to host the 51st National Open Golf Tournament—the United States Golf Association's annual open tournament to be sponsored by the United States Golf Association. It is fitting that one of the greatest sporting events in the world should be held in a community in which it is so common. Many, if not most, of the residents of the Oakland Hills are members of one of the approximately 35 golf courses in the area. You may wonder then, that our citizens are so proud of their community.

It is in common. Many, if not most, of the residents of the Oakland Hills are members of one of the approximately 35 golf courses in the area. You may wonder then, that our citizens are so proud of their community.

As a supporting event, we want you to enjoy our community. We have a wide variety of homes to drive about our residential areas which are landscaped lawns, schools, parks, etc. Our stores and our stores and shops will offer some of the finest shopping. We're glad you are here. Please feel at home in our community; be sure to see all of "Beautiful Birmingham."

IT IS fitting that the Birmingham Chamber of Commerce participates in a greeting of welcome to the vast army of spectators and contestants in the 51st National Open Golf Tournament now under way at Oakland Hills Country Club. It is fitting because the Birmingham Chamber of Commerce is unique in having a membership composed of BOTH residents and business and professional people—for here in Birmingham there is reality in the concept that community welfare is one of mutual cooperation and responsibility—that a community is better when there is a "working together" between and among its families and those who serve the area's economic and social needs.

And so it is with true civic pride that we welcome all of you to our community and extend to you our sincerest best wishes for a pleasant visit to the National Open Golf Tournament.

Birmingham Chamber of Commerce
