Before six o'clock I'd be back home with all the bass and pike our family could eat. And, as far as I know right now, there still are lots of fish in that lake."

SAYS Sam Snead OF HIS NEW Nash Ambassador

Yet a Nash Ambassador, completely custom equipped—and with Hydra-Matic Drive—costs hundreds of dollars less than America's other finest cars! Yes, before you decide—take an Airflyte ride—in the world's most modern car!"
