## "Tons Of Money" Opens Season

"Tons of Money", a British farce which opened at Will-O-Way Playhouse Tuesday has the audience roaring with laughter. The plot revolves around Aubrey and Louise Allington, a young English couple who owe money to everyone who will give them credit. However, their worries seem to be over when they learn that a brother of Aubrey's has left them his entire fortune.

After their joy subsides they realize that the money will only go to their creditors and they will be left just as broke as they were before. They also learn that in the event of Aubrey's death the money goes to his cousin whom they all believe to be dead. Louise ingeniously, thinks of the idea of having Aubrey pretend to die (to outwit his creditors) and then come back as his cousin.

Minnie Jo Curtis plays Louise with Donald M. Harrington as Aubrey. Also included in the cast are Robert Bryson, Bettie Hyman, Toti Baker, O'Rourke, Tressa Way Merrill, Betty Gould, Richard Davies, Albert Overton and John Baldwin.

Tons of Money is quite similar to "See How They Run" which was presented a few years back. Those who saw it will remember the zany antics that caused such rollicking laughter. This show will run through July 7.
