ORDINANCE NO. 417
CITY OF BIRMINGHAM, MICH.
TREE AND SHRUB ORDINANCE

AN ORDINANCE prescribing regulations relating to the planting, care and removal of trees and shrubs in and adjacent to public highways, parkways, parks and other public areas of the City of Birmingham, State of Michigan, and prescribing penalties for the violation of said ordinance, and repealing Ordinance 25, and all Ordinances in conflict herewith.

The City of Birmingham Ordains:

Section 1. Definitions. The word "person" as used in this Ordinance shall include individuals, groups of individuals, firms, associations and corporations and their servants, agents, or employees.

The word "highway" shall include all the land lying between the property lines on either side of all public streets, boulevards and alleys.

The word "park" shall include all public parks having individual names, and all areas owned by the City or to which the public has free access.

The words "trees and shrubs" shall include all woody vegetation.

"City Manager" or "Manager" when used herein shall mean the City Manager of the City of Birmingham, or his representative designated for purposes of the enforcement of this ordinance.

Section 2. The Department of Forestry and Parks shall be charged with the duty of enforcing the provisions of this Ordinance, and shall discharge all duties that may be required or imposed by the City Manager.

Section 3. The City Manager shall have control over all trees, shrubs and plants in the streets and parks of Birmingham, and is empowered to plant, prune, spray, cultivate and preserve all trees and shrubs within the confines of the streets, parks and public areas of the City. No person shall prune, spray or plant any shrubs or trees upon the highways or parks without a written permit from the City Manager. No person shall cut or break down or destroy any trees or shrubs in the highways or parks at any time without the written permission of the Manager. No person shall plant any shade or ornamental trees in the highways or parks except by permission of the Manager, and then only if they are of a variety and size acceptable to the Department of Forestry and Parks. No person shall have the right to plant any varieties of poplar trees, willows or box elders or other quick growing trees whose roots are likely to injure the sewers or leave the street surfaces.

Section 4. It shall be unlawful for any person to use any tree as an anchor and no material shall be fastened to or hung on any trees in any highway or park.

Section 5. Excavations and driveways shall not be placed within 6 feet of any tree without written permit from the City Manager, or his authorized agent. Any person making such excavation or construction shall guard any tree within 6 feet thereof with a good substantial frame for the protection thereof by the Department of Forestry and Parks, and all loosing material or other debris shall be kept at least 6 feet from any tree. All persons desiring to make such excavations or construction shall deposit with the City Treasurer a sum sufficient to cover the cost of inspection, and any damage which may result therefrom.

Section 6. Every owner of any tree, shrub or plant overhanging the streets or highways within the City of Birmingham shall trim the branches so that such branches shall not obstruct the light from any street lamp or obstruct the view of any street intersection and so that there shall be a clear space of eight feet above the surface of the street or highway. Said owner or occupant of premises shall also remove all dangerous trees, or broken or decayed limbs which constitute a menace to the safety of the public. The City shall have the right to trim any tree or shrub on private property when it interferes with the proper spread of light along the street from a street light, or interferes with visibility of any traffic control device or sign, such trimming to be confined to the minimum amount necessary to clear the right-of-way. All trees, bushes, hedges or shrubs on the triangle formed by two property lines and a line connecting points on the property lines and extending for a distance of 25 feet each way from the intersection of the rights-of-way lines on any corner lot within the City of Birmingham, shall not be permitted to grow to a height of more than 3 feet above the surface of the roadway, in order that the view of the driver of a vehicle approaching a street intersection shall not be obstructed. Trees may be planted and maintained in this area provided that all branches are trimed to maintain a clear vision for a vertical height of 8 feet above the roadway surface.

Section 7. Placing materials on public property—No person shall place or maintain or permit to be placed any stone, brick, sand, concrete or other material which will in any way impede the "spill and free" passage of water or fertilizer to the roots of any tree subject to the provisions of this Ordinance.

Section 8. Gas pipe or mains laid within any public right-of-way or on any property of the City shall be inspected so as to exclude any leakage therefrom. In the event a leak exists or occurs, it shall be reported to the owner of such gas pipe or main, and the leak shall be repaired within 24 hours. Any damage to trees, shrubbery or grass, resulting from the escape of gas from a pipe or main shall be repaired and the cost of repairing, including the cost of removal and replacement of any trees, shall be levied against the owner of the pipe or main causing the damage.

Section 9. Protection of Trees & Shrubs—No person shall girdle, top, mutilate, kill or destroy any tree or shrub or, access thereto, or permit any fire or the heat thereof to injure any portion of any tree. No toxic chemicals or other injurious materials shall be allowed to seep, drain or be emptied on, near or about any trees. Wires or any other device (other than lines or wires shall be permitted to come in contact with any tree or shrub unless protected by approved methods, and no person shall attach any electric insulator to any tree. All persons shall cooperate with the Department of Forestry and Parks in giving notice to protect, move or cut off the electricity from any service line for the purpose of trimming or removing any tree where such wire may interfere with proposed work.

Section 10. Spacing of Shade Trees & Distance from Curb and Sidewalk—In all future planting of shade trees in the highways, such trees shall be placed not less than 40 feet apart, except that trees may be planted less than 40 feet from an existing tree in the highway provided the existing tree is to be subjected to combat with a program of new trees, and except that one flower or shade bit may be ordered to plant a shade or ornamental tree in front of his home, or corner lot, upon approval by the Department of Forestry and Parks to have certain planted closer than 40 feet from an established tree, but in no case shall such planting be within 30 feet of any existing tree in the highway.

No tree shall be planted in parkways between the curb and sidewalk less than 3 feet from the sidewalk, trees on private property shall be planted the wide-walk shall be planted not less than 3 feet therefrom. Where parkways are less than 6 feet in width, trees shall be planted not less than 2 feet 6 inches from the sidewalk, and no trees shall be planted on parkways where the distance between the sidewalk and the curb and the sidewalk is less than 5 feet 6 inches in width. Trees shall be planted nearer to the intersection of any two or more streets than 30 feet from the point of intersection of the curb lines.

Section 11. All dead trees and trees afflicted with any fatal or communicable disease shall be removed by the City Manager with the approval of the Manager. Living trees may be removed by the Department of Forestry and Parks, acting under direction of the Manager, should the owner of the property on which said tree is situated shall, in writing, request the removal of such tree. The adjoining property owner shall be notified, in the event of the intended removal of any living tree in the event of an objection from an adjoining property owner, the tree shall not be removed until after a public hearing has been held before the City Commission to consider its removal.

Where an owner of property requests the removal of a tree, the Manager is authorized in his discretion, to require as a condition precedent to granting of approval for such removal, that said property owner assume all or any part of the costs of removing such tree, and also to further require that such tree be replaced at some other location in the immediate vicinity, by planting another tree of a type permitted under this ordinance.

Section 12. The City Manager is hereby authorized to direct the Department of Forestry & Parks to remove any trees of the species "Poplar" trees (popular) and all Box Elder trees, whether planted or growing on any highway, park or public place of the City of Birmingham.

Section 13. The City Manager is hereby authorized to direct the Department of Forestry & Parks to remove any dead trees or shrubs growing on any highway, park or public place of the City of Birmingham, when such tree or shrub is interfering with line hydrants, sewer and water mains, visibility at street intersections, traffic control devices or construction of highways and sidewalks.

Section 14. Any person who shall violate any provision of the Ordinance, or any lawful order issued by the Manager pursuant to the provisions hereof, shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not to exceed $100.00, or by imprisonment in the City or County jail for not to exceed 90 days, or by both such fine and imprisonment in the discretion of the Court.

Section 15. All ordinances or parts of ordinances in conflict herewith, and particularly Ordinance No. 92, are hereby repealed.

Section 16. This ordinance shall be effective upon publication following the adoption.

Section 17. Provisions of this ordinance are hereby declared to be severable and the holding as invalid of any section hereof, shall not, of itself, impair or invalidate remaining sections hereof.

Made and passed by the Commission of the City of Birmingham this 28th day of May, A. D. 1951.

Paul Friedrich Leaves Cranbrook

After 17 years with the Cranbrook school in administrative work, Paul Friedrich has resigned his position to become executive secretary of the Department of Lay Ministry League in St. Louis, Mo. He will assume his new duties on Sept. 1, and will move from Birmingham the latter part of August.

Friedrich will supervise various church related activities such as the Lutheran Hour, national radio program; the Lutheran hospital in Vicksburg, Miss., and will be assistant for 110 years at the Milwaukee Country Day school.

HE BECAME business manager of Cranbrook school in 1938 and when the central committee was formed in 1946 to coordinate common activities of the six Cranbrook institutions, Friedrich became its executive secretary.

His father, the Rev. Julius A. Friedrich, is a retired minister now making his home in St. Louis.

Crane Baseball Team Ends Season

Cranbrook's Varsity baseball team suffered its third Inter-state league defeat of the season Saturday, May 26, by losing to Shady Side academy of Pittsburgh 7-1. The game ended the season for Cranbrook with a record of eight victories and nine defeats.

It was announced by Headmaster Henry Hoey in ending the season that Varsity baseball coach Frederic Campbell, a graduate of Dartmouth College, will assume the position of Assistant Athletic Director as well as head coach of Varsity football team next fall.

To Study Reports

The June 11 meeting of the Community House board of directors will feature reports on the survey and kitchen and heating unit needs. The board will also consider renovation plans, the work to be done during August, annual vacation period of staff members.
