**ELECTRIC of Course**

There's no trick to making coffee with an electric percolator. It automatically makes delicious coffee in minutes... keeps it hot for hours.

Help her take the wrinkles out of clothes in a jiffy... save her an extra dollar's worth of electric iron. It'll never take time to see the crumpled dress.

An electric mixer will be one of her hardest workers... for mixing, stirring, whatever the cooking job calls for. It's a big help in any kitchen.

And, of course, she could use an electric toaster for baking... for toasting... it's a big help when making rolls around... color's a complete meal automatically.

Dozens of other gift suggestions wherever electrical appliances are sold.

Does she have an electric waffle iron? It's no secret, she'll really like to have one... so proud to serve waffles, golden-brown and delicious, done to a turn.

Up pops the toast for a cheery breakfast... light, dark, or eye shade between. An electric toaster is an ideal gift for that neat couple.

A fluffy wool electric blanket, no soft pastel colors, is sure to zakk her eye. Automatically maintains selected temperature all through the night.
