

It is wrong simply to rail against the evils of the times in which one lives. Always has mankind grappled with the forces of evil, overcoming many of them, making a better world. But even in the midst of evil, one can attain reasonable security and happiness.

WILLIAM F. KENNEDY, 1058 Floyd, for the past five years associated with the Leonard Electrical Co., has joined the Equitable Life Insurance company's local office. Kennedy is a member of the Junior Chamber of Commerce and last year was chairman of its business committee. He is also a member of the Birmingham Y and is a past officer and board member of Pierce PTA. He has been a Birmingham resident six years.

Local Boy Nabbed After Wild Chase In Stolen Auto

An assist from Royal Oak police officers resulted in the quick apprehension Feb. 21 of Peter Orlando, 17, of 2488 Yorkshire after he allegedly stole a car from the Sfrè parking lot. Mrs. R. H. Mann, 614 Greenwood, reported the theft of her car to local police who immediately broadcast its description. Shortly after, Patrolmen William Avery and Bert Gorman of the Royal Oak department noticed the car parked near Coolidge and went to question the driver. As Gorman reached to open the door, Orlando sped north on Woodward. Officers radioed headquarters for help and a roadblock was hastily set up at Coolidge and Webster, where the car was stopped.

POLICE REPORTED that Orlando said he took the car to visit some buddies at Boys Republic. He had recently been released from that institution after serving 15 months for auto theft. Local Police said the youth had a local record of juvenile delinquency. Orlando waived examination in justice court and was held over to circuit court on \$1,000 bond.

Delivery Awaited For New Southfield Twp. Fire Engine

Southfield township's new American LaFrance fire engine should be delivered in about two more months, according to Fire Chief Alfred Kruck. The township board approved purchase of the equipment Nov. 14. Reason for the delay in delivery after purchase is that the equipment is completely custom-built. The chief said that the American LaFrance company makes nothing but fire equipment. The engine, hose and lighting equipment will cost \$20,725. The auxiliary fire department training course is proceeding very well, according to Kruck. The 25 men are now in the sixth week of instruction. Training is offered in first aid and new fire fighting developments. The course is part of civilian defense preparations.

Local Gra-Y Group Visits Shrine Circus

Approximately 70 youngsters from the Poppleton school Gra-Y club attended the Monday afternoon performance of the Shrine Circus at the State Fair coliseum, according to Ed Kirbert, local YMCA secretary.
