

**Summer Plans Told**

A 14 day Caribbean Cruise. When they return from their cruise they will spend a week in New York, then Mr. Fletcher and his sister, Mrs. A. J. Ferner of Royal Oak, will fly to London for a fortnight's visit with relatives. Mrs. Fletcher will stay in New York with her sister Mrs. J. W. Baird of West Branch, until their return.

**Garden Club Joins Federation**

The Birmingham branch of the Women's National Farm and Garden Association has broadened its field of interests and opportunities in keeping with the growth of its city.

At its meeting in the Community House on March 13, the members voted to become a unit in the Michigan Federation of Garden Clubs. This decision was made following the report given by Mrs. Frank Webb who was chairman of a committee of six chosen to thoroughly investigate the advantages and opportunities of becoming Federated.

Mrs. Webb stated, "It is an opportunity for all Garden Clubs to come together under one head for unity of purpose and effort, and as such we would be joining the 150 other Federated Garden Clubs in Michigan, then become a member of the National Council of Garden Clubs which has federated clubs in forty-one states."

However, the local branch still remains a part of the Women's National Farm and Garden Association and will continue to maintain its activities. One of its major interests will continue to be its scholarship award to a horticultural student and the Conservation scholarships to Higgins Lake Conservation conference given each year to a local teacher.

This summer three teachers will be sent. Miss Marjorie Votey, Principal of Walnut Lake school, who was sent in 1949, and Miss Eleanor Carmody, second grade teacher at Adams school who attended in 1950. They are expressing daily in their school rooms the value of such training. They are enthusiastic in giving and using knowledge gained at the Higgins Lake Conference.
