We Heard It Said By:
Joseph Brady, former Rotary district governor in a talk Monday before the local Rotary club: "When the white man came to this country he found the Indian with no debts and the women doing the work. Yet the white man thought he could improve upon that system."

Pierce Music Groups Will Show Teaching Methods in Program

A program of vocal and instrumental music by students will highlight the Pierce School PTA meeting May 10 at 8 p.m. in the school auditorium. The program has been planned to introduce parents to teaching methods. Mrs. Louise Smith and Robert Kutscher are in charge.

The school glee club of over 50 voices accompanied by Mrs. M. G. Miner, will sing. The program will be concluded by the school orchestra of 30 pieces.

Calvin H. John, program chairman, said, "We feel this type of a meeting is valuable not only in demonstrating the techniques employed in teaching but is enjoyed by students who are given the opportunity to express themselves before an audience."

A short business meeting, including the annual election of officers, will precede the musical program, according to Mrs. James Zawadni, PTA secretary.

Poppleton Cubs End "Railroad" Project

"Railroading" was the theme of Cub Pack 13, Poppleton school, and highlighted their last meeting when models of railroads, made by the members, were displayed. The meeting was closed by singing "I've Been Working on the Railroad."

Awards made at the Thursday meeting were wolf badges and golden arrows to Clark Richardson; silver arrows, Richardson, Robert Ford and Gary Fossman; Ford, one; Fossman, two; Charles Peckola, one and Forest Culp, one. Forest Culp also earned two service stars.

Fossman, Ford and Jeffert Osborne were presented bear books. The pack has taken kite flying as its June theme.

LEO RENAULT, 1953 Stanley, made the first catch in the Kew common area at 6 a.m. on the opening day of trout season. Using flies, he brought in one 17-inch and one 15-inch brown trout. Although bait fishermen came up opening weekend with a trout two inches longer, Renault will receive recognition for his achievement by Roscommon sporting goods dealers. He was fishing on the south branch of the AuSable.

Fellowship Is Rotary's Appeal, Says Ex-Governor

Fellowship is Rotary International's greatest appeal, believes former district governor Joseph Brady of Howell.

Speaking to Birmingham Rotarians Monday noon, Brady declared, "We are better for this fellowship in health and morale. It means greater friendships, too."

In today's troubled times, Rotarians must carry to their businesses and professions, the "high ideals of Rotary," he emphasized.
