APPROXIMATELY 1200 PERSONS attended the Open House at the new Southfield township high school, Lahser and 10 Mile roads, Saturday evening, April 28. A pageant reviewed the history of the Southfield school system from early Indian days to the present time. More than 500 were served dinner in the new cafeteria. Southfield township PTA groups sponsored the program. Two units of the \$900,000 school are now under construction. Since February, ninth grade pupils in the district have occupied the completed wing shown at the left. (Joe Wheeler Photo)

Delivery of New Southfield Fire Truck Awaited

Southfield Township Fire Chief Alfred Kruck said this week he is "waiting patiently" for the arrival of the new custom-built American LaFrance fire engine. The unit, which includes engine, hose and lighting equipment and costs \$20,726.62, was ordered by the township board last November. At that time, the first of May was set as the probable time of delivery. However, the chief stated that work priorities have slowed the construction of the truck.

MTA Group Formed At Wing Lake School

Wing Lake school's Mother-Teachers association will hold its final meeting of the current year on May 16 at 3:30 p.m. The group was formed a short time ago in an effort to establish a closer contact between mothers, teachers and school children.

"We are a part of the Bloomfield Hills school district," Mrs. Ralph Minko, publicly chairman said, "but because of the growth of the schools, we were losing contact with the problems of our own school. There are 70 children there now, and indications are that we may have more than a hundred when school opens in the fall."

Officers of the association are Mrs. John R. Davis, president; Mrs. R. K. Williams, secretary; Mrs. Walter Wendren, hospitality; Mrs. Elbert Mathews, program; Mrs. Ralph Minko, vice-president
