Red Cross Needs Volunteer Typists For Special Work

Volunteer typists are needed at the American Red Cross chapter headquarters 53 1/2 W. Huron street, Pontiac, to work on a special project for the disaster planning committee. The work must be completed within four weeks.

Persons willing to assist in the welfare of their community may volunteer through Mrs. M. Parsons Neff, 2522 Yorkshire road, Birmingham staff aide chairman, or at the headquarters office in Pontiac.

Mrs. Frederick E. Booth, 960 Harmon, has been named general chairman of the county staff aide service.

FORMER 'CERTIFIED' volunteers, wishing to be reinstated, should contact the Pontiac office. This includes motor service, staff aide, gray ladies, nurses aides, canteen and social welfare aides. Volunteers now living in the area who have served with other chapters may transfer their records to Oakland county and serve without further training.

"It's the type of engine powering America's finest cars!"

"It certainly has fine car beauty!"

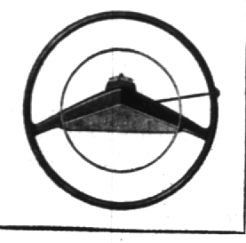

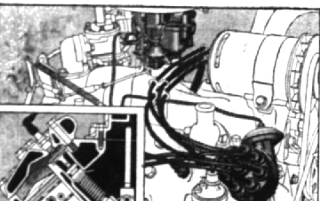

"Ford's built over 8 1/2 million V-8's!"

America's Lowest Priced Eight FORD V-8

You can pay more but you can't buy better

● One by one, America's costliest cars are switching to V-8's. Their makers are learning that this type of engine just can't be beat for get-up-and-go and fuel savings. But why pay more for a V-8 when Ford offers you one of the finest for hundreds less than most sizes? And you benefit from Ford's 18 years experience in building more V-8's than all other makers combined!

But, a "Test Drive" will show you that power isn't the only reason why owners have become so fully convinced that you can't buy better than Ford. You'll experience the safe, smooth steps of Ford's Double-Seal King-Size Brakes. You'll feel the comfort of Ford's Automatic Posture Control. And you'll be delighted with Ford's quick, easy Key-Turn Starting.

Advanced AUTOMATIC MILEAGE MAKER

With all their power and zip, both Ford's V-8 and Six engines offer penny-pinching savings. Ford's Automatic Mileage Maker squeezes the last ounce of power out of every drop of gas automatically by matching timing to fuel charges!

New FORDOMATIC® DRIVE

Here's the newest, finest, most flexible of all the automatic drives... an "automatic" that's advanced in development. You'll find it offers trigger-quick gateway... passing power when you want it... and smooth jerk-free performance.

New AUTOMATIC RIDE CONTROL

The road you see may be rutted... but the road you feel is smooth. For, with Ford's new Automatic Ride Control, new spring suspension and shock absorber action is continuously self-adjusting to changes in road conditions.
