WINTER OR SUMMER

This lovely home in Bloomfield Hills makes a most charming picture in its natural woodland setting. The architect who planned it was most successful in fitting the house to the hilly terrain. The owners love it, but need a four bedroom home. Hence your opportunity.

Here is what it offers you.

On the first floor, a studio type living room that is a dream—17'x27' with big windows from floor to ceiling. Dining El. Kitchen. Utility Room for laundry. Lavatory. 3 delightful bedrooms and a tiled bath.

On the basement level, a recreation room as big as the living room also with fireplace and big windows. Laundry and heater room. Torrid zone forced warm air heat with oil.

2 car garage with breezeway.

The lot is a wooded corner approximately 140' x 160'. Taxes \$393.

We would like to show it to you, if you are interested in a house that is different.
