

Too often, in trying to solve a personal or public problem, we allow our emotions to govern us. Results thus obtained often are undesirable, and it may take months or even many years to undo them. Reason always should regulate emotions.

Adams Jr. Hi-Y Club Takes 8-7 Victory From Poppleton

Coming from behind with a three-run rally in the seventh and last inning, the Barnum Junior high boys who are members of the Adams Junior Hi-Y club won over Poppleton school 8 to 7. Bobbie Brown hurried for Adams and was effective in the pinches. Shimmy Acton of Poppleton had 12 strike outs, but his support faltered at critical times. These boys took advantage of the Birmingham YMCA's offer to help youngsters too old for Little League ball and played very well in spite of considerable inexperience. Similar games between neighborhood nines will be played every Saturday morning at 10:30 a.m. Arrangements can be made through the 'Y' office.
