Musical Workshop Invite Hobbyists

Plans are in progress for the beginning of a new group under the sponsorship of the Birmingham Musicals. The group will be called "The Birmingham Musical Workshop" and will be designed to foster group practice and the exchange of talent and ideas among men and women of this area who will benefit from such an organization.

"We have heard from many interested people since our first announcement and feel there is a need for an organization of this kind in the community," Mrs. Blair Swartz, workshop chairman, said.

Several prospective members from Pontiac have responded, among them a bassoon player and several others interested in woodwinds.

There have been many inquiries from local residents, with a great interest shown among newcomers to Birmingham, as well as teachers, soloists, housewives, businessmen and students.

"We hope to organize several small singing groups, as well as orchestral and ensemble groups," Mrs. Swartz said. "So anyone interested in alto or viola, as well as violin will be welcome."

The first organizational meeting was held April 30 at 7:30 p.m. at the Community House in the Clinic room.

Residents of Birmingham, Rochester, Bloomfield Village and Pontiac interested in making music an active hobby attended. For further information call Mrs. Swartz, MI 4-5507.

AT A DINNER PARTY in celebration of their 20th wedding anniversary on April 28, Mr. and Mrs. Fred T. Simanek of Westchester Way, announced the engagement of their daughter Ellen to Gerald Steicher of Bedford road, Detroit. An early fall wedding is being planned.
