

Customers' Corner

"Freedom of choice" is important when you shop as well as when you vote.

At A&P we have always been devoted to the democratic idea that our customers should be free to buy what food they want, in the quantity they want, without any pressure from us.

We strive always to stock our stores with a wide choice of good foods that constitute good values. Then we leave it up to our customers to take their pick.

If there's anything we can do to give you better "freedom of choice" at your A&P, please let us know. Please write:
