There was a meeting of the members of the service squad Oct. 24, in room 200. At this meeting Gary Linmark, Cliff Rogers, and Dick Saunders became members. Their duties as Service Squad members, the post and weeks in which they will serve were explained.

Barnum's Press Club made a \$4.10 selling program at the Ferndale-Barnum football game Oct. 17. Programs consisted of player's names, numbers, and positions.

The idea was brought before the Press Club by Bettye Baker. Through Mike Doyle's efforts of obtaining the information from Coach Fred Gibson, getting them organized, and mimeographed, the programs were ready to sell at the game.

BARNUM'S STUDENT COUNCIL met Oct. 23. Radio Workshop requested and received the January dance. Errol Brisendine, Tris Coffin, Mike Doyle, Judy Collins, and Pat Harmon volunteered to make a chart to record the amount of money received for the Torch Drive.

Mike Doyle, Carol Howlett, and Ann Hamner made posters to advertise the drive. Judie Reynolds, Dave Gibson, and Charlene Sulek were appointed to write a bill to be given over the Public Address system. A prize will be given to the first homeroom with a 100% donation. A member from each homeroom will report every morning the progress of each room.

**CRANBROOK Soccer Squad Defeats Western Reserve**

For the second time in the 20 year history of their competition, Cranbrook's varsity soccer team defeated Western Reserve Academy of Hudson, Ohio, 3-0 on the Cranbrook field Saturday afternoon. This victory was the third of the season for the Cranbrook 11.

Cranbrook opened scoring in the second period on a goal by center-halfback John Hatch of Birmingham, assisted by right inside Frank Griswold. The first half featured splendid defensive play on the part of both teams with the score ending 1-0.

IN THE THIRD PERIOD, Hatch again scored, this time assisted by left-wing Stan Hirt. This was Hatch's sixth goal of the season. Early in the fourth period, Elliott Trumbull, right-wing from Birmingham booted the last score.

**WALNUT LAKE NEWSLETTER**

Superintendent Dwight B. Ireland visited the assembly Friday morning. He told of his visit to the United Nations in New York and then played the piano while the group sang. Judy Sandstrom, Barbara Shank, Harvey Sellner, Leslie Stevens and Pamela Parkins led singing.

The PTA attendance award went to the fifth and sixth grade room and the dollar for the paper drive was awarded to the third grade. Value of used paper is so small this year that the drive only brought in \$24.99.

The kindergarten children are illustrating nursery rhymes. Danny Luther celebrated his birthday this week with a few special games in class.

FIRST GRADERS made a pumpkin face in the pumpkin that Lynn Weaver brought to school and they wrote a story about it. The second grade children have made games to play at the Halloween party.

Third graders are making covers for the backs of their library chairs. Each child is bringing material from home and all are taking turns doing the sewing. They are also making a map of Walnut Lake.

Fourth grade children are making wooden ships to put on their large map to show routes of the explorers.

Junior Big will meet Friday evening, Nov. 2 at the school at 7:30. Ed Kierber will direct the program.

**Students Hear Talk Concerning Guided Missiles**

First assembly for the semester Oct. 26, featured L. A. Hyland from the Bendix Aviation Corp., who spoke about "Guided Missiles."

Hyland advocated "engineering as an excellent field for both boys and girls to enter. Mathematicians are in greater need today, thus

good pay and challenge are offered," he pointed out.

A trip to the moon by a guided missile sometime within the next 70 years was assured by the speaker, although he wasn't sure just what would be proved by such a trip.

Gail Burlingame was in charge of the assembly.
