

**Continue Hearing On B'ham Estates Reassessment**

A hearing to consider the \$19,000 reassessment the city has proposed to levy on the Birmingham Estates assessment district, has been continued until Dec. 3.

Members of the Birmingham Estates association claim the city has overcharged residents \$14,971.6. This matter has been discussed by a special committee of city commission members and representatives of the association.

Action on the problem was to have been taken Monday, but City Attorney Forbes S. Hascall said they must first question on the validity of city action because of the Armistice Day legal holiday.

**Movies, Vaudeville Part of Pierce PTA Fair Program**

More than 100 members of Pierce school PTA have completed plans for the annual school fair, scheduled this year for Nov. 16.

Activities will get under way with a movie from 3 to 4 p.m. for the school children while committees are setting up booths and program facilities.

Highlight will be a "top notch vaudeville show" one at 7 p.m., the other an hour later.

Two new features are being incorporated into the program. A resale shop will be conducted where used skates, bikes and other articles will be sold. A percentage of funds received will be returned to the school for student activities.

Also new will be the sale of Christmas cards and gift wrappings. This will be under the direction of the mothers who work as library assistants, and funds will be used for the student book fund.

Hot meals will be available in the cafeteria throughout the entire program.

**Why didn't you sell me!**

**Some day you may be real mad at us**

We wish we had time to sit down with everybody in this town and tell 'em personally about the many kinds of modern, inexpensive insurance which most people should carry nowadays.

You—for instance—may be pretty sore at us some day if you have a fire, a windstorm, burglary or a boiler explosion, or if you are sued for damages, or lose a diamond ring or a fur coat or a suitcase full of clothes, or sustain some other serious loss against which we could have insured you if we had tried to sell you.

We can't be out selling everybody in town all the time, so won't you help us sell you what you need. Ask us to survey your insurance policies soon and to tell you of any gaps.
