"STRIKE DEMONSTRATION" is the name of this picture which earned a second honorable mention prize of \$50 for Clark Dean, 25, of 194 Chesterfield. The picture, taken in Worcester, Mass., was entered in the picture story division of Life Magazine's contest for young photographers. Dean, son of Mr. and Mrs. Clare H. Dean, has done some professional free-lance photo assignments for social-organizational institutions and for the past year has been staff photographer for the Walker Art Center in Minneapolis. His work has appeared in Life, Modern Photography, Business Week and Vogue.

Lathrup PTA Hears Talk On Over-Crowded Schools

Lathrup PTA met Tuesday evening Nov. 13 at Lathrup school for an Open House and brief business meeting.
Glenn Schoenhals, superintendent of Southfield schools, spoke on the increasingly crowded conditions in the schools due to the rapid growth in the population of Southfield township.
Following his talk, C. W. Zink and F. D. Leonard, members of the school board, answered questions.
The first and second grade room mothers were hostesses for the evening. There will be no December meeting.
The second grade room mother tea was held Nov. 12 at the home of Mrs. Alfred McLaren; fourth grade, Nov. 8, at the home of Mrs. Ralph Vogt and fifth grade, Nov. 10, at the home of Mrs. H. W. Hudson.

A BIRMINGHAM man, George Brosch, 984 Oakland, was named president of Haig and Patterson, Inc., at a recent meeting of its directors. The firm has created and produced training programs, in slide films, motion pictures and printed forms for leading American companies.
Brosch, nationally recognized as an authority on sales training, has spent a large part of his career in executive selling and has spoken many times at sales conventions and for widely diversified industries.

Local Firm Gets National Recognition

At the 44th annual convention of the National Association of Real Estate Boards held last week in Cincinnati, the Brokers Institute gave its Gold Award Medal to Snyder, Kinney and Bennett, Inc., Birmingham realtors.
This first prize award was based on material the firm submitted in connection with display advertising, residential brochures, maps, institutional advertising and office forms. The company also received a Bronze Award (equivalent of third prize) for attractive sign or billboard advertising, as well as other forms of outdoor institutional advertising.
Elliott S. Kinney, president of Snyder, Kinney and Bennett, Inc., stated that in the past four years his company had received national recognition at other annual national meetings held in Chicago and New York City.
FOUR YEARS AGO at New York City, it was awarded second prize for the quality and character of its display advertising material. In Chicago two years ago it received first prize for the interior appearance and arrangement of its office headquarters.
Kinney complimented The Birmingham Eccentric for the large part it has played the past several years in conducting its real estate page with attractive and distinctive type of display advertising now so familiar to Birmingham residents. The firm constantly strives to improve the quality of photographic studies of residential properties and has always sought new and unusual creative ideas for its institutional advertising, Kinney said.

Willing to Join Authority for Sewage Treatment

The City of Birmingham is considering joining the Southeastern Oakland County group for the treatment of sewer originating in the Clinton district, which covers approximately the east half of the city.
City Attorney Forbes S. Hascall has been requested by the city commission to draw up a tentative contract.
The city would have to file a petition with the Southeastern Oakland County municipalities.

UPON JOINING THE authority, Birmingham would assume the following obligations:
1. It will be required to pay a portion of the capital cost of the intercepting sewer owned by the authority and the rights in the City of Detroit sewers purchased by the authority.
2. The city will, in all probability, be obligated in connection with further sewage treatment facilities which may be constructed in the vicinity of 12 Mile road and Campbell road for further treatment of a portion of the storm water.
