ONE OF THE TOP achievements of local hunters this fall was made two weeks ago by Jack Geyman of 895 Harmon. He is shown in the above photograph with the five-point buck and the skin of the 320 lb. black bear he shot while hunting near Barton City. After downing the bear, Geyman waited beside the body while a tractor could be obtained to pull it out of the woods. Before very long, the buck came into view, and the local nimrod also dropped it. From where I sit... by Joe Marsh

"Fair and Square"

We've just had a political campaign with everything from a torch-light parade to a neck-and-neck ballot box race.

Rusty Robinson, with no campaign funds, planned his Election Eve speech for the Square. Slim McCormick, who owns the Palace movie house, was finishing up his campaign in Pioneer Hall.

Then it began to rain. Rusty's political career was fizzling out in the damp when Slim showed up to say that Robinson people could need in his theatre—for nothing. "I want to beat Rusty," Slim said,

"but certainly not with rain!"

From where I sit, you've got to give Slim credit for acting on his belief that everyone has a right to be heard—just as everyone has a right to his own opinions and tastes. Maybe you like hot coffee, for instance, when you "take a break." Well, my vote goes for a refreshing glass of beer. After all, we're lucky to be living in a free country where we can have our own preferences!
