**Sault Ste. Marie Home Ready For Newlywed Couple**

Following their eastern honeymoon, newlyweds Dr. and Mrs. George W. Mullin, Jr. will make their home in Sault Ste. Marie, Michigan.

Dr. Mullin claimed his bride, the former Barbara June Underwood, at a double ring ceremony at 3 o'clock Saturday afternoon, November 3, at St. James Episcopal Church before the Rev. W. Glen Harris and the Rev. Harold E. Towne.

The bride, is the daughter of Mr. and Mrs. Arthur J. Underwood of Birmingham. Mr. and Mrs. George W. Mullin of Birmingham road are the parents of the groom.

For the afternoon ceremony the bride chose an ivory satin gown with a bodice of ivory Alençon lace. An illusion yoke formed a high, round neckline which became off the shoulder over her satin sleeves. A full satin skirt extended into a circular train.

Her fingertip veil was fastened to a round collar of satin and lace and white Jugi mums and ivy composed the bridal bouquet. A rose pointe lace handkerchief sent from Belgium was also carried by the bride.

**HONOR ATTENDANT** Mrs. Arthur J. Underwood, Jr., and bridesmaids Mary and Patricia Mullin, sisters of the groom, and Ellen Anderson and Mrs. Robert J. Heckencamp, were all gowned alike in floor-length dresses of cerise velvet and tulle, accented by portrait necklines and very full skirts. They carried pale pink cards. They wore pale pink hats.

The bride's niece, Margaret Lynn Underwood, was the flower girl in a floor-length pink velvet dress, carrying a bouquet of pale-garnum carnations.

Dr. Ralph Nothofer attended the groom as best man. The bride's brother, Arthur J. Underwood, Jr., James Auchenforie, Warren Hervey and Richard Estus were the 250 guests.

**A GOWN** of blue crepe and lace was selected by Mrs. Underwood for her daughter's wedding. Her mauve hat and gloves were also by her mauve marm corsage.

Mrs. Mullin's gown was of winter rose lace. She wore a set of matching feathers, and white cymidium orchids made up her corsage.

Following a reception at Orchard Lake Country Club, the couple left on a trip to Virginia. Their return home will take them via Ithaca, New York, where they will attend the Michigan-Cornell game.

**Seniors Earn Torch Drive Donations**

By SIDNEY McNARY

"The young people of today are becoming entirely indifferent and irresponsible." This is a statement which more than one hundred-the-collared, fault finding adult has made.

But Birmingham high school seniors disprove this idea. A donation to the United Foundation from every state, under the goal of the school and seniors set another goal; that each member of the class would give his donation, make a personal sacrifice, or plan a budget date.

Birmingham can be proud that 57 of its 206 seniors have part-time jobs. Each of these students gave part of their pay to the Torch Drive.

**BABY-SITTING** WAS by far the most popular occupation among the girls, with a total of 23 finding Birmingham tots to earn their contributions.

Many boys and girls handled rakes and lawn mowers, while others removed screens, replacing them with storm windows.

Car washing was a profitable project for Arlynn Rader, Ned Sharple and Clark Harris, while Sandra Tischer and Ned Haugen lent their hands at washing windows.

A few handy men including Dick Young, Max Webster, Bruce Duncan, Andy Dennison and Jerry Fletcher proved their versatility by doing odd jobs around town.

**BUDGET DATES** were on the lists of some thirty seniors. Among them were Peter Trees, who treated himself to a marshmallow roast in his girl's back yard, saving the price of a movie; Judy Tuttle and her date spent an evening watching television and eating popcorn; and Russ Sanders and his date played cards with his parents.

Trying their hands at selling were Nancy Knecht, Rosemary and Pat Riley, all of whom sold Christmas cards.

Still others sacrificed movie, allowances, savings, C and D bars, dates, or lunches.

Each person lived up to his part of the bargain to help make a success of a service beneficial to the Torch Drive for the total contributed by the senior class was \$293.51.
