By CAROL HOGSHEAD

The goblins, witches, and ghosts did their annual shenanigans last week. By some strange coincidence they chose Halloween's night: this year.

Decorating the dance floor at the Community House with corn-stalks, leaves, witches, balloons, and pumpkins were Sandra Lasher, Bonnie Dayton, Peggy Gelsey, Bill Maller, Dave J. Jolinen, Mini Neff, Martha Brown, Chris Leving, and Barb Howe.

Halloween's night, dancing to the music of Don Corie and under the watchful eyes of the owls and pumpkins on the wall, proved to be a square dancing was preferred by some tireless students.

MANY BIRMINGHAM enthusiasts were seen at the Waterford game despite the very cold weather. Some of the students heard and seen cheering our Maples on to a 30-0 victory were Carol Burkheiser, Pat Hubbard, Jean Donnelly, Marlene Latham, Elizabeth and Margaret Carter, Jim Hague, Bertell Little, Judy Tuttle, Bill Leckie, Dick Emery, Eric Davidson, Norma Hudson, Carol Marean, and Ann Hennessey.

Since Billy Eckstein and Billy Daniels were in Detroit, it is obvious where many students were Saturday night or Sunday afternoon. A surprise wedding party for Mr. and Mrs. Al Sheffield was given by Evelyn Simanec and Bob Dutton. Graduates and guests from out of town were present as well as Birmingham students. Dancing, music, and food made the evening quite complete. Mrs. Sheffield is the former Beverly Worthington, a senior.

MANY STUDENTS and teachers are working hard to ever to make the play "Ramshackle" a great success. It is to be presented November 14, 15, 16 and tickets may be purchased for \$1 from any member of the 1952 Washington group. Plan to attend. The early cold wave cancelled all of the club football games. Sunday, a joint meeting was held at the home of Henry Moore for clubs Tri-A and DJFR.

Until next week remember the play. We'd like to see you all there.

WALNUT LAKE NEWSLETTER

All grades are preparing for the PTA Open House, Monday Nov. 12.

The kindergarten pupils were surprised by their room mothers, Mrs. Donald Shank and Mrs. Roland Buland at milk time on Halloween and had their party then. They were making furniture from orange crates and will paint it this week.

Mrs. John Hoffman and Mrs. Ira Weaver arranged the first grade party. Mrs. William Bishop and Mrs. William Unsworth provided refreshments for their class, the second grade.

MRS. ROLAND WALTON and Mrs. Robert Esler were in charge of the party in the Third grade room. Mrs. Richard Bennetts and Mrs. Harold Chalmers helped the Fourth grade to celebrate. The class is making Thanksgiving decorations for their room.

Fifth and sixth grade rooms took time out from making exhibits for their Science and Social Studies projects for the Open House to have their party with the help of Mrs. C. M. Heller and Mrs. Edward Slutz.

The class with the largest percentage of parents attending the PTA Open House Monday evening receives the dollar award.

Local Harriers Lose Hazel Park

Failing in its attempt for revenge of its league defeat, the Birmingham cross country team fell before Hazel Park 21-34 on the Maples' home course last Wednesday.

Hazel Park's league champion, Don Weber won in 19:58 and Doug Eggle and Delano Sanders, Hazel Park, were second and third. First local runner to finish was Tom Lenane, fourth. Gordon Yates was fifth.

Rest of the finishers were Ernie Bennett (HP), Kirk Lewis (B), Ted Averill (B), Roy La Barge (HP), and Ron Thompson (B). The meet was unscheduled and resulted from a challenge by the Birmingham Squad after the league meet.

Last Wednesday morning, six student council representatives from Bloomfield Hills started out for Ann Arbor and the 7th Annual Michigan High School Conference on Citizenship.

Students got some ideas on earning money for the student council and informing the students of its activities and accomplishments.

Students were Marcia Wells, Carolyn Luttrell, Bill Meyer, Bob Saylor, Ted Watson, and Ralph Garlick. Purpose of this meeting is to provide an opportunity for representatives from all high schools in Michigan to get together and discuss their school's various problems and activities.

When they arrived in Ann Arbor they went directly to the Rackham Building Auditorium to attend the opening General Assembly at which Governor Williams was the principal speaker. After lunch they split up and each went to a different discussion group.
