**Our Bank Says "Help Yourself"**

People around here need lots of small change these days—what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, real about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine.
