score in the few minutes remaining in the first half, but Hazel Park received the kickoff in the third quarter and despite the loss of 35 yards on a penalty and a fumble, advanced 51 yards for a touchdown. Don La Croix went the last two yards for the score and also kicked the extra point.

Birmingham came right back for another touchdown on a drive that included a brilliant 35 yard weaving run by right half Hank Moore. Hutch punched over from the two. His kick for point was wide.

In the fourth period Birmingham started a march that was hampered by three 15-yard penalties.

Hazel Park took possession of the ball on downs and pushed over one more touchdown with Hill making the tally. La Croix's kick was blocked and the final score was 26-15.

BIRMINGHAM HAD an edge in statistics, outgaining the Vikings 262 yards to 174. Penalties totaling 130 yards were chalked up against the two teams, 90 yards against Birmingham and 40 against Hazel Park.

Birmingham's right halfback Moore turned in his best performance of the season. Although he had had no previous varsity experience, he has been improving steadily, playing his best game against Hazel Park.

Two other first year men turned in creditable performances. Dave Brown, senior playing his first season, was in most of the game at left tackle and Bill Ferguson, also inexperienced, played a good defensive game at guard.

Maple Gridders Meet E. Detroit

By STU SCHEIFELE

Undeatable in four contests, the Birmingham football team goes to East Detroit Friday night to try for its fourth league win and gain revenge for last year's 12-0 defeat at the hands of the Shamrocks.

Last week East Detroit suffered a 46-0 shellacking by Port Huron, a top contender for the Eastern Michigan League crown. However, the Shamrocks were stunned by two quick touchdowns on pass interceptions and were more scored against their third team.

EAST DETROIT HOLDS decisions of 14-6 over Van Dyke, 12-7 over Lansing Eastern, and 20-11 over Hazel Park, with a 14-12 loss to Roseville.

The Maples played their poorest game of this season in defeating Hazel Park 26-13 last week. They need a victory this week to stay tied for the Eastern Michigan lead with Port Huron, whom they meet next week in their final league tilt.

East Detroit usually has a tough rivalry team with plenty of speed, and this year is no exception. The Shamrocks are led by their most chetti for their 1950 squad but have nine seniors remaining.

Possible Annexation Of Portion of Troy Studied by Clawson

Clawson city officials are studying the possibility of annexing a portion of Troy township.

However, Troy township officials appear to be equally opposed to any such move.

The land in question is the section north of Elwood between Main and Rochester roads. Residents in the area have previously requested Clawson for water service and city authorities feel that these persons should be in the city before receiving water benefits.

Letters have been sent by Clawson to the residents in the area asking if they would be favorable to annexation. Troy township Supervisor Norman E. Barnard has stated that he believes the township board will be against any proposed annexation.

Charged with Assault; Released on Bond

Clarence Purdy, 636 East Lincoln, who is charged with attempted rape and assault, demanded examination when he appeared before Berkeley Justice J. Harold Steffens Monday. He was released on \$1000 bond.

A Birmingham woman told sheriff's officers that Purdy assaulted her Saturday night on Coolidge road between 14 and 15 Mile roads. They had previously met in a Woodward avenue tavern and he was driving her home.

Birmingham police assisted the sheriff's department in the arrest.

A COMBINATION of excellent blocking from his teammates and the graceful, relaxed running of Tom Tracy is shown in the above photo as the sensational Birmingham senior got away for one of his two touchdowns against Hazel Park Friday evening.

A DIFFERENT but equally as effective offense style is demonstrated by Maple Fullback Gordon Mutch who powerpacks his way over the Parker line for one of his two markers.
