**Better Wait—Than Be Sorry!**

For the man or woman who wants a Cadillac, there is no satisfactory substitute in the whole wide world!

So, if your heart is set on sitting at the wheel of this great and distinguished motor car—let us talk with you frankly about the matter.

First of all, you should come in and place your order—just as soon as circumstances will permit.

There is now—as there has been for many years—a waiting list of wonderful people who wish to own this wonderful car. And the sooner your name joins this distinguished list—the sooner your hope will be realized.

And once your signature is on an order blank—hold firm to your purpose.

This may not be easy—for temptation is almost certain to assail you!

Cars without number may be had today—almost as soon as you agree to accept them. And, quite naturally,

people who sell these available cars may ask you to shift your preference from Cadillac.

But, again, we urge you to hold firm—for the sake of your own welfare and your own satisfaction.

Remember—it's Cadillac you want.

Cadillac—with its universal and pride-inspiring recognition as the Standard of the World!

Cadillac—with such performance that owners actually think up excuses for taking to the highway!

Cadillac—with such amazing endurance that its full life-span has never yet been measured!

Cadillac—with economy so extraordinary that few cars, at any price, will run farther on a gallon of gasoline!

Yes—if you want a Cadillac, come in and order it. And then stand firm until you get it.

It's far, far better to wait—than be sorry. For, remember, there is nothing that can take its place.

**Troy Twp. Board to Consider Purchase Of Wire Recorder**

Included on the Oct. 8 agenda for the Troy township board will be a discussion on whether a wire recorder will be purchased.

This matter was considered at the last meeting, but the board tabled the subject until a recommendation was received from the zoning board. If purchased, the recorder could be used during zoning board open hearings.
