Program for BETTER LAWN

Late summer - early fall is the ideal time to beautify your lawn and here is how easy you can do it:

- 1 Apply SCOTT'S 4-D to dispose of broad-leaved weeds.
- 2 If Crabgrass is present, wait 2 or 3 days, then apply SCUTL to stop further growth. Repeat SCUTL in a week.
- 3 If weather is dry and lawn cannot be watered, delay treatment until after a soaking rain.
- 4 Apply TURF BUILDER lawn food.
- 5 Seed sparingly, you need so little Scott's.

Soviet History Talks Heard by Reserve Squadron

Captain Lee F. Kenney, squadron intelligence officer, will continue the series of talks on "History of the Soviet Union" at the bi-weekly training session of the 960th Air Reserve training squadron Monday evening, Sept. 17 at Lincoln High school, Ferndale at 7:30.

Surprise guest speaker at the last meeting was Col. Frederick Edwards, a wing commander of the Michigan Civil Air patrol, who spoke on the history and progress of his group.

One of the recent promotions in the squadron was that of Richard E. Brown, 1887 Pembroke to the rank of major. Brown is public information officer of the group.

Photos must be submitted by noon each Friday to insure publication the following Thursday.

McKinley PTA Map Opening Meeting

Get-acquainted night will be observed by McKinley PTA at its first fall meeting Sept. 18.

Mrs. Frank Gidley, president, said because of a redistribution of grades, nearly all parents and teachers at the school are "new".

"Our grades have been shifted around due to the school expansion program," she said, "so that this year McKinley school finds itself composed almost entirely of unacquainted persons."

Annual reports also will be given at this time.

Refreshments will be served after the social hour.
