ROAD-TEST IT FOR PROOF OF PERFORMANCE!

It's more a treat than a test, when you put a new Mercury through its paces. You never knew that traffic could be tamed so easily, that parking could be so effortless, that hills could simply melt away! The secret? Lots of things—its husky V-type "8" engine—its low-slung design—its nimble steering. Yes, here's sweet driving, with all the thrills that makes this Mercury so popular.

②

BUDGET-TEST IT FOR PROOF OF VALUE!

Does it have a down-to-earth first price? Mercury's price tag you can understand—a big dollar's worth for every dollar invested.

Will you be sure of good gasoline mileage? Mercury has continually proved its miles-per-gallon by winning in officially sponsored economy tests.

Will upkeep stay low? Mercury engineers have engineered trouble out for extra years of money saving dependability.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to studies of the latest annual official registration figures.

3-WAY CHOICE! For "the drive of your life" Mercury offers you a triple choice in dependable transmission. Mercury-O-Matic Drive, the new, simpler, smoother, more efficient automatic transmission, or Shifty Touch O-Matic Overdrive are optional at extra cost. There's also silent ease standard transmission.

2-WAY TEST PROVES MERCURY BEST—FOR "THE DEAL OF YOUR LIFE!"

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan, Sunday Evening, 7:30 to 8:00 P.M. Station WDBB, Channel 2.
