W. Lincoln Resident Asks Special Assessment District Information

Foster Toothaker, 716 W. Lincoln, between Pierce and Southfield, asked commissioners how adjoining property owners would be assessed if that portion of Lincoln is widened.

City Manager Donald C. Egbert explained that, according to present policy, residents are required to pay the regular assessment for a 20-foot street, with the city assuming the rest of the cost.

Acting Mayor Dean Beier said he could not say whether or not the city would assume any additional cost, since he felt any future commission would make this decision when the question arose.

The statement was made in reference to the East Lincoln work done this year. In that instance, the city paid 25 per cent of the cost, due to Lincoln being classified as an arterial street.
