Pembroke Manor Assoc. Formed

Birmingham's newest homeowner's group, the Pembroke Manor Association, Inc. was formed Thursday evening when approximately 150 persons from the rapidly growing area in the northeast section of the city attended the organizational meeting at the Community House.

Nine residents were elected to the board of directors. These officials then later chose the association's officers.

New president is Robert W. Page, 2468 Manchester; vice-president, Richard A. Sauerbrun, 2789 Pembroke; secretary, Charles H. Hanson, 2460 Manchester; and treasurer, Lawrence A. Smith, 2545 Windemere.

OTHER DIRECTORS are Donald H. Johnson, Charles E. Childs, John M. Averill, Charles W. Woodison and Robert R. Benson.

Page said the board of directors will meet Thursday evening and develop the coming year's program. Committee members will be appointed to work on restrictions, zoning, schools and social and recreation matters.

The president stated that, the group was organized in "the belief that good neighborhoods can only be developed through the concerted efforts of home owners."

He pointed out, "We moved here because we believe Birmingham is a desirable place in which to live. Our particular section is a new community and the only way to keep it up like the rest of the city is to enforce existing building restrictions and create new ones."

WE FEEL THE builders and real estate men have done a fine job in developing the subdivision. The association was organized so we can work together with the planning board, city commission and builders in handling mutual problems."

In its initial drive, the association has 150 members. Page said there are about 450 homes in the subdivision.

Page concluded, "The whole group is proud of its new community and we are happy to live in Birmingham because it is such a pleasant city. Our purpose is to keep it that way."

County Awards Contract for 16 Mile Ext.

Long awaited extension of 16 Mile road from Adams to Woodward approached reality this week as a $20,213.25 contract for grading and graveling was awarded to Nagy Brothers of Pontiac by the Oakland County Road commission.

Road commission chairman Sol D. Lomerson said the work will start in a few days and be completed by Nov. 15.

COMPLETION OF THIS project will eliminate much of the present heavy traffic which goes through Birmingham. At present, westbound 16 Mile (Big Beaver road) traffic must turn south on Adams and into Birmingham because 16 Mile now deadends into Adams.

Since its completion in 1930, the 16 Mile road underpass has never been used by vehicular traffic. It cost the state of Michigan and the Grand Trunk railroad a total of $80,753.13 to construct.

David Levinson, 2150 Northlawn, has been chairman of a special City of Birmingham committee which has been pushing plans for this project the past few years.

Title To Be Required On Trailers Over 2,500 Lbs.

Persons owning trailers weighing more than 2,500 pounds will be required to show title when applying for future license tags.

Charles Mortensen, Chamber of Commerce secretary, last week said he had been informed of this new ruling which will go into effect Sept. 28.

"We will receive further information at this office before that date. It would be advisable for all trailer owners whose vehicles are in this class to obtain the information now, rather than wait until licenses are due," Mortensen said.

Man Injured in Southfield Twp. Gas Explosion

A bottled gas explosion in Southfield township Tuesday afternoon injured one man and seriously damaged a home.

Injured was Merle Pierson, 24275 Kinsel, who was taken to Mt. Carmel Mercy hospital with severe burns.

Southfield township Fire Chief Alfred Kruck said the exact cause of the explosion is still undetermined, although Pierson apparently lit a match.

THE VICTIM returned to his home after work with his wife and smelled gas. He told his wife to remain in the car while he investigated the gas stove. Moments later the blast occurred.

Pierson was thrown 25 feet in front of the house. Kruck said the east and west walls of the home were blown out and the roof caved in.

The State Fire Marshal investigated the blast Wednesday. The gas company before had been two previous gas leaks at the home but they had been fixed by repairmen.

County Society Elects Area Residents to Office

Several area persons were named to office at the annual meeting of the Oakland Society for Crippled Children held Sept. 12 in Pontiac.

Named to office are Mrs. Hope G. Scott, Beverly Hills' first vice president; Irwin T. White, Franklin, second vice president.

Matthew Cammaroto and Mrs. Fred Rollins, both of Birmingham, will serve on the board of directors.

The society, of which the Birmingham Rotary club is a charter member, aids and assists handicapped children and adults in the county. It's chief source of income is the annual sale of Easter seals.

Little Flower Mothers' Club Plans First Meeting

Several local members of the Little Flower high school Mother's club will meet Tuesday, Sept. 25, in the auditorium. Mothers of new students are invited to attend the business meeting and tea which will be held immediately following.

Sister Marie Clare, school principal, and the Rev. Charles Coughlin will speak briefly.

Mrs. W. H. Stephens, 692 Adams road, will serve on the tea committee.

Mrs. John J. Sadlier, 765 Hanna, is recording secretary of the club and Mrs. Theodore F. MacManus, Bloomfield Hills, corresponding secretary.

Will Attend Meeting Of State Society

Birmingham Plan Board Chairman Harry Denyes, Jr., and Vice-Chairman William M. Brown will attend the annual meeting of the Michigan Society of Planning Planning officials annual meeting in Detroit Saturday.

Monday night the city commission confirmed Brown's appointment as local delegate to the South Oakland county planning council. City Administrative Assistant Earl Sandquist will be the alternate.

Local Plant Entered

Police are investigating the Tuesday night robbery of the Schauer Tool and Die company, 2099 Cole. The company reported four sets of tool makers tools had been stolen.

Number of classroom teachers in the Birmingham public school system grew from 95 in 1940 to 164 in 1950—In 1940 there were seven with less than a bachelor's degree; 60 with this degree and 23 with masters degrees. In 1950 10 were below the bachelors degree with 100 holding this degree. There were 42 who held masters degrees.

Southfield Park Incorporation Vote Approved

Next spring residents of Southfield Park subdivision, Southfield township, will decide whether they wish their 4½ mile square area incorporated as a city.

Oakland County board of supervisors this week approved a recommendation by its boundaries committee that such a vote be taken. Last fall subdivision residents petitioned the county for incorporation.

SOUTHFIELD PARK is bounded by Eight Mile on the south, Nine and one-half mile road on the north, Greenfield on the east, and Plum Hollow golf club on the west. Magnolia and Westhampton subdivisions were excepted from this petition.

Boundaries committee members are H. Lloyd Clawson, William F. Nern and William A. Ewart.

Vote by Lathrup townsite residents on whether they wish their area to become a fifth class city will have to wait until a census of the village is taken. Petitions for such a census were filed last week with County Clerk Lynn Allen.

LAST WINTER MAGNOLIA subdivision residents filed petitions asking the whole township be incorporated. However, any action on this request will have to be delayed until after votes are held on the other two areas.

The county also has a fourth set of petitions from Southfield area requesting incorporation. This May, 26 Franklin Village residents filed a petition requesting incorporation of the district bounded by Telegraph, 12½ Mile road, Inkster and 14 Mile road.

Ballet and Tap Shoe Sale Will Be Held At Quarton

Under the sponsorship of the PTA, Quarton school's ballet and tap dancing classes will hold a shoe sale Sept. 25. Shoes are to be taken to room 114 at 1 p.m. to be sorted and tagged for the sale from 3:30 to 5 p.m.

Mothers of dancing pupils will assist with the sale and supervise in the halls.

Classes are for children from the second through sixth grades, are schedule 22 sessions held at 3:30 each Tuesday afternoon.

Mrs. Charles Young, who taught the group last year, is again in charge. Information on joining the classes may be obtained from her.

Cranbrook School Begins 25th Year

As Cranbrook school opened its doors Monday to begin its 25th academic year, Headmaster Harry D. Hoey welcomed new faculty members, 73 new students and former students. Before the opening day assembly of faculty and students, Hoey recalled the events of registration day, Sept. 19, 1927.

Returning after an absence of two years will be Dr. Frederick C. Dockstader, who was awarded his doctorate in philosophy Sept. 12 from Western Reserve university, Cleveland, Ohio. Besides his duties of instructing in Spanish, Dr. Dockstader will coach the rifle team.

IN ADDITION TO these duties at Cranbrook school, he will be staff ethnologist at Cranbrook Institute of Science for the forthcoming year.

Dana Haigh will serve as music instructor. A native of Worcester, Mass., he attended Oberlin college and spent a 20 month period of service in the Army. At the conclusion of the war he was graduated from Oberlin receiving a B. A. and masters degrees for his musical abilities.

Richard Gregg will be an instructor in the Cranbrook Arts department. He received a B.F.A. and a M.F.A. Degree from the Cranbrook Academy of Art after attending Western Michigan college. Gregg has had experience with the Kalamazoo Civic Theatre serving as its technical director in 1945. In later years he handled stage management for a Cleveland Summer Theatre and designed covers for interiors Magazine.

Peter B. DeWitt, an alumnus of the class of 1942, graduated from Hope college this June with a degree of elementary education instructor. DeWitt served as a pharmacist's mate in the Navy before spending a short time at Duke University in 1947. He will teach history and English and coach the seventh and eighth grades.

Among the new students are two from other countries, George Powell of Caracas, Venezuela and Tom Mallard of Harrow, Ont. In addition, 14 students will be attending the school for the first time from states other than Michigan.

THE SECOND SON OF an Alumnus of the School, David Ward, will also be in attendance along with Sigmund Snyder, son of Edmund S. Snyder, Cranbrook school librarian.

Birmingham residents registering Monday at the school were Henry Beam, Peter BeGole, Rudrick E. Boucher, James R. Ewing, Jr., R. Bruce W. McCaul, Ralph T. Miller, Roger K. Morrison.

Brian M. O'Hara, William A. Raisch, Gary G. Rosenberger, Donald R. Twyman and John S. Van Wynen, Jr.

Last week, 56 soccer and football team candidates participated in drills preparatory to opening of varsity competition.

The varsity football squad will meet Waterford High school at Waterford Friday, Sept. 28 at 3 p.m. The soccer squad will play host to Chatham Vocational school of Ontario the same day at 4 p.m.

St. James Men's Club

First fall meeting of the St. James Men's club will be held in the church parlors at 7 p.m. on Sept. 24. Elden Auker will speak on Little League baseball. The program will also feature the film, "Dust or Destiny."

Photos must be submitted by noon each Friday to insure publication the following Thursday.

Present Ambulance Service Kept

City commissioners have decided to stick with the present ambulance service provided the city by a private firm.

Commission had previously been given to a plan whereby the city would have an emergency ambulance service attached to its police or fire department.

However, the Dietrich Ambulance Co. of Royal Oak and Detroit has notified city officials that it has added another ambulance and will eventually supply as many ambulances as the territory will support.

CITY MANAGER Donald C. Egbert told commissioners that the cost to the city of converting police cars for ambulance use would be about $600 a year.

In discussing the proposed plan for the city to take over ambulance service, Commissioner Lance Minor said, "I'm sorry to see this type of service proposed for a municipality. We've already got a cemetery—maybe then we should provide a mortuary too."

He added, "The government is already in enough business. I'd like to see private enterprise do it and I don't like to see the city pushed into the ambulance business."

Commissioner Frank Rising pointed out, "I don't think we need to do anything on this matter now. We should just keep an eye on the service situation and receive a report once in a while."

THE DIETRICH FIRM wrote Egbert that it would expect to be reimbursed by the city if it fails to collect within 60 days from the time of an accident. Commissioners agreed that this request was perfectly reasonable.

Commissioners will still continue the discussion of additional personnel for the police and fire departments. Egbert said his report on this subject was not yet ready.

Both the Bailey and Bell Funeral homes discontinued ambulance service July 1, due to cost of equipment and stand-by personnel.

Detroit Church Council Study Youth Problems; Local Pastor on Board

The Rev. Emil Kontz, pastor of the First Baptist church, will take part in the Youth planning conference in Detroit this weekend. Mr. Kontz is chairman of the youth work committee for the Detroit Council of Churches, sponsors of the conference.

The affair will be held Friday and Saturday at the Woodward Avenue Baptist church in Detroit.

Starting with a dinner Friday evening, the group will start a campaign to enlist at least a million young people in a united program of Christian action.

The observance of Youth Week, Jan. 27-Feb. 3, will also be discussed by the several prominent speakers engaged for the two-day meeting.

Cecil M. King, youth adviser from the Baptist church here, with Miss Nancy Gillium and Jim Owens, will be among the Birmingham persons attending.

Board of Education OK's Securing Short Term Loan

An advance on state monies, totaling $150,000 has been received by the Birmingham public school system as a part of the first three months' operating expenses.

Dr. Dwight B. Ireland told school board members the loan of an additional $200,000 would be necessary to defray expenses until tax monies are received. Bids for this short term note will be received up to 8 p.m. Oct. 16, date of the next board meeting.

Ireland reminded the board payments will probably be made early in February.
