PHOTOGRAPHED WHILE HONEYMOONING at the Greenbrier, West Virginia, are Mr. and Mrs. Benjamin Smith, who were married September 8, at Christ Church. Mrs. Smith is the former Ann Elizabeth Pierce, daughter of Mr. and Mrs. Edgar Sprague Pierce. On their return, the couple will reside in Ann Arbor.

Helen Mack Wed In Hills Rites On Saturday

Kirk-in-the-Hills was the setting for the Saturday, September 22, afternoon rites uniting Helen Mack and L. Ray Vahue in marriage. Helen is the daughter of Mr. and Mrs. H. Ross Mack of Lake Park Drive, and the groom is the son of Mr. and Mrs. Leonard A. Vahue of Amarillo, Texas.

The bride was gowned in ivory satin with alencon lace applied on the bodice. Her dress was distinguished by a portrait neckline and cathedral train. Her veil of finger-tip illusion fell from a cap of heirloom rose-pointe lace. Her flowers were white roses, lily of the valley, and ivy.

The bride's twin sister, Gracy Mack, was the maid of honor. She and the bridesmaids, Mrs. Herby H. Upton, Jr., of Ann Arbor, and Miss Nancy Jean Black of Portland, Oregon, were attired in gowns of pale blue bengalizing with scrolling outlining the tucked bodices and the edges of the tiny matching capes. Their caps were

of matching blue velvet. They carried American Beauty Roses.

BEST MAN was Gordon J. Culwell of Amarillo, Texas. James L. Spiker of Monmouth, Ill., Bernard G. Kettman of Pleasant Valley, Iowa, and Hugh R. Mack, Jr., brother of the bride, performed the ushers' duties.

For her daughter's nuptials Mrs. Mack selected a floor length gown of grey chantilly lace and chiffon. She wore a brown velvet hat with onyx shading from brown to green tones.

Mrs. Vahue's costume was rose crepe dress trimmed in chantilly lace and a matching feather hat. Her flowers were harmonizing orchids.

A reception following the nuptials took place in the home of the bride's parents. For their motor trip in the east, the bride wore a bankers gray flannel suit, trimmed with black velvet collar and cuffs, and accented with steel buttons. Her matching gray hat was edged with cut steel heading. Her accessories were black.

Following their eastern trip, the couple will visit in Colorado Springs, Colo. They will make their home in Amarillo, Texas.

Book Sale To End On September 28

All books and other articles in the A.A.U.W. Book Sale, which has been in progress this week at the Edison Building, will be sold at one half their original sale price Friday, September 28.

According to the general chairman, Mrs. W. G. Patton, this does not mean merely getting rid of otherwise unsellable books, inasmuch as new material has been pouring in every day during the week. Many of the books to be sold at half price will not have been offered before.

Hours Friday are from 8 a. m. to 9 p. m. Books and magazines which have not been sold at the close of the sale will be disposed of for salvage. This half-price offer is held in an effort to give the public the advantage of good books which remain before final clearance.

Photos must be submitted by noon each Friday to insure publication the following Thursday.

From where I sit... by Joe Marsh

Skip Makes a Slip

Miss Gilbert, the teacher, was telling me how Skip Lawson almost went to sleep in her physics class. She noticed him nodding and—since they were discussing electricity—said in a loud voice: "Now maybe MR. LAWSON will explain what electricity is." Skip started up, looked around wildly, and blurted out, "Gee! I used to know, but I forgot!"

"What a loss to science!" sighs Miss Gilbert. "No one to this day knows what electricity really is, and here we have a genius who could explain it—but forgot!"

From where I sit, I hope this taught Skip that you're better off if you admit you don't know all answers. Some grownups haven't learned that yet—like the ones who are always telling other people who's best and what's right and what's wrong. I like a temperate glass of beer, myself, but if you prefer buttermilk I won't argue. I've seen too many "know-it-alls" turn out to be wrong!
