Pedestrian Should Assume Own Share Of Responsibility

In view of the increase in pedestrian accidents in Birmingham last year over previous records, Police Chief Ralph W. Moxley is asking residents to exercise greater care when crossing streets.

"None of our mishaps last year were serious," he said, "but there was an increase. Contrary to what might be expected, these accidents did not increase in the business area.

"To us it is apparent that in the residential sections of the city pedestrians are not being properly cautions when stepping from the curb. At unguarded intersections pedestrians should take the time to check approaching traffic before leaving the curb."

MOXLEY POINTED out that pedestrians have a responsibility of safety and should not expect the motorist to assume all of it.

"The pedestrian has several traffic laws in his favor," Moxley said, "but he surely cannot expect the driver to assume all responsibility for his personal safety. It's just common sense to protect yourself. Watching out for cars certainly isn't too much to ask of anyone walking along our city streets."

BHS Debaters Entertain Birmingham High Twelve

Larned Goodrich, boys' counsellor for the Birmingham school system, presented four members of the high school's state league debating team at the Monday meeting of Birmingham High Twelve.

The team, which recently took second place in the Detroit area competition, spoke on: "Resolved, that all Americans should be subject to conscription for essential service in time of war."

Recently accepted into club membership are C. L. Beck, Ed Ebersole, William Merrill, N. W. Hyde, J. H. Achten, Ray Peck, W. L. Douglas, T. W. Hay and A. Bogue.

Having Fun

Mrs. Al Douglas insists that she has been having as much fun with her Cub Scouts, Den 4 of Royal Oak Pack 12, these past few weeks as they have been having. One week they visited Outlands Stables; next week they assembled and flew kites and yesterday met at the Douglas home for an Easter party. They decorated hard boiled eggs with paper and hair and so on, instead of coloring them and made baskets to put them in. The group includes Brent Nettle, Ross Thompson, Tom Sharp, Martin Edwards and Al Douglas, Jr., from Beverly Hills.
