Customers' Corner

"Welcome Change."
 These two words can tell you a great deal about what A&P stands for.

Some 93 years ago, A&P was a welcome change to food shoppers, for even then it was our primary aim to provide more and better food to more people for less money!

Through the years, our stores kept pace with America's changing conditions. They became bigger, better, more efficient. Thus, A&P "Supers" became a welcome change to our customers who wanted to do all their shopping under one roof.

Today, as always, you can be sure that A&P's "value-on-every-item" policy will leave you with welcome change after you've finished shopping. Try it and see.
