FRANKLIN NEWS

By ANGELA DADSON
MAYFAIR 4-2461

Stig Gustafson of Malmo, Sweden, a foreign exchange student at Union College, Schenectady, N.Y., visited the August Larson's recently at their place on Bingham road. Also a visitor at the Larson home was Ingrid Gustafson, of Sweden. Stig and Ingrid are touring the eastern half of the United States by bus before returning to Sweden late in the month. They were very much impressed with the beauty and the modern character of the homes in the Birmingham area.

Mr. and Mrs. Timothy LaFontaine of Lahar road were hosts on a two week cruise recently aboard their cruise "Tannie". With their guests, Dr. and Mrs. Carr E. Dix, of Columbus, Ohio, they stopped a few days each at Mackinac Island and at the Hiawatha club on Lake Michigan in the upper peninsula.

Hosts to their pinocle club at a potluck supper party last Sunday at their home on Ovid court, Mr. and Mrs. Jack Himes were pleasantly surprised when their guests presented gifts honoring their twelfth wedding anniversary. Those who joined in the surprise were the Willard Hart's, the Robert Egan's, the Claude Cook's and Mr. and Mrs. Lewis Evans.

The Arthur Zebedes with their son Bill, returned last week from a two week vacation spent at Eye Beach, New Hampshire and at the Sunset resort hotel at Rockland, Maine. They packed again to spend five days at the Belvedere at Charlevoix, in part to pick up their daughter Cheryl who has been at Hilltop camp on Wallon lake. Mr. and Mrs. Zebedes will watch her participate in a horse show which will leave on September 2 for Alton, Ill., where he will enter Western Military academy.

To the Editor: Since I have left Birmingham I have wondered about some of my friends and I would like to hear from them. I am now First Lieutenant in Korea and the desire for news of some of my friends who might be here, and others, would be appreciated.

I see where some of my former classmates have recently graduated from college and think that some might remember me. If some remember, I think that I would appreciate your telling them my address and I will certainly love to hear from any of them.

Most of them graduated in the mid-term '48" class from Baldwin.

To the Editor: On the editorial page of July 3, you wrote a very kind editorial in which you commented on and recognized the 25th anniversary of the paid fire department in the City of Birmingham.

This kind of publicity and utterance by someone in my position in the city and state makes an individual, such as myself who has headed this department, feel most humble. It has been the support from such as yourself that has given us the incentive to carry on a tradition which was handed down to us many years ago by the founding fathers of the fire department.

Because in the early years the only return these men got for their efforts was the satisfaction of doing a good job on each alarm to which they responded. Actually they received no remuneration but paid to belong to the organization.

To do our best to carry on this tradition is the least we, who are active members, can do for as you know in the past some of our members have paid with their lives and health to maintain this standard.

During these 25 years you and I have seen many changes in the city and whether all of the changes are for the best, I am sure you feel as I do that it is not for us to decide. But if we do our best, as I know you have with your paper and staff, to continue a tradition which you believe is in the best interests of all, we cannot, in the end be too severely criticized.

VERNON W. GRIFFITH, Chief
Birmingham Fire Dept.

Recent house guest of the Robert Brewers, Franklin Hills drive, was Mrs. Raymond Orwig of Chicago.

The Friendly Circle will take potluck luncheon when it holds its next regular monthly meeting on Wednesday, August 20. The time is 12:30 p.m. at the place the home of Mrs. Roy Jones, Telegraph road.

Plans are being made for the Evening Circle's next meeting to be held on Thursday afternoon, August 21, at Mrs. Norman Curran's summer home on Mayday lake.

New Report Cards

Birmingham's school board has authorized the adoption of a new form of report card. However, local schools will continue to issue the cards about every six weeks. It is the feeling of the board that a 10-week insurance period, as used in some schools, does not keep parents properly informed as to the progress of their children.
