Customers' Corner

Experience is the Best Teacher . . .

And we have had many opportunities to learn by it.

Many times, during our 93 years in business, we've learned the hard way . . . as so many people do! Times have changed and so have we. We've found that no matter how hard we try there are always ways to improve our methods. But the years have taught us what American families look for in service . . . in foods . . . in values. Millions of shoppers at A&P prove we've learned to give you what you want . . . when you want it . . . at prices you can afford to pay! Come see at A&P!

If you have any suggestions as to how we can improve, please tell your friendly A&P Manager. Perhaps your experience can help us serve you better!
