You Know Something About This Man!

You've never seen him before.

And yet, as you watch him approach his motor car—you feel instinctively that you know something about this man.

You feel you know something of his background and his standing among his fellow men. You sense his consideration for the safety of his family and his friends. And you have a clear indication of the mark he has made in his chosen field of endeavor.

For that's one of the extraordinary things about the Cadillac car: It speaks so eloquently of the man who owns and drives it.

It does so from its long association with the world's distinguished motorists . . . and out of its constant participation in the lives of the nation's leading people.

In every community across the land, Cadillac is the predictable choice of those who choose without restriction.

And how well they choose—and how wisely!

For the Cadillac car—as any owner can tell you—is surpassingly satisfying from every standpoint.

Smooth, powerful and responsive—it makes

each and every journey a pleasure to anticipate and a joy to experience.

And dependable, long-lived and economical in operation—it compliments its owner's practical wisdom through every marvelous mile he drives.

Wouldn't it be wonderful to enjoy all these things in your motor car? Well, then . . . come in and see us. We'd be delighted to see you at any time.
