Entrant No. 129—the first Lincoln—crosses the finish line a winner

... then in 5 minutes 29 seconds fourth Lincoln finishes—20 minutes ahead of next car.

1953 LINCOLNS SWEEP FIELD IN MEXICAN PAN-AMERICAN RACE

Lincoln for 1953 is the automotive sensation of the world today! 1953 Lincolns in the Mexican Pan-American Race took not just first, not just second, but third and fourth places as well!

In the race participants call "the toughest stock car competition in the world," the winning Lincolns swept ahead of 66 other American production cars representing 11 other makes—and won by a big time advantage.

The first 1953 Lincoln to cross the line was driven over the tortuous 1,938-mile course in a total elapsed time of 21 hours, 15 minutes and 38 seconds. Then, within 10 minutes and 58 seconds, the three other winning Lincolns swept in—with the last one fully 20 minutes ahead of its nearest competitor.

Never before has there been such a record established in this International Contest organized by the A.N.A. (Asociacion Nacional Automovilistica)—a run that includes altitudes ranging higher than 10,000 feet—over roads of every type and condition.

Never before has a great car so clearly demonstrated both its performance superiority and ruggedness in such a competitive test.

The 1953 Lincoln, with its advanced design 205-hp engine—the V-205—is the car to challenge all others this year. So see the 1953 Lincoln—which is powered to leave the past far behind. Try it—drive it—for the performance revelation of a lifetime!

December is a month of secrets, and the activities of the Brownie and Girl Scout troops for last week were strictly top drawer. Susan Parkins, Carmen Sutton, and Sharon Pavetka were the hostesses in their respective troops, with Carmen also celebrating a birthday.

Dr. and Mrs. F. L. Granger, Lynne, David and Raymond spent the long Thanksgiving weekend at their cabin near Luzerne, Mich. Others going north for the weekend were the Weber Youngs, who hunted near Mio and brought home a buck. Mr. and Mrs. Graham Ovegard and their daughter Sandra found good hunting at Canada Creek launch, where each one got a deer.

Among those attending the Reformer Lutheran dinner and bazaar last Thursday were Mr. and Mrs. Herman Fiebig, Mr. and Mrs. William Noth, Mr. and Mrs. Stewart Schultz, the Vincent Alains, the Martin Wades, Mr. and Mrs. Harold Chalmers, Mr. and Mrs. Donald Finke, Mr. and Mrs. Ross Banker, the Ira Wewers, the Maynard Motts, Mr. and Mrs. Verlon Nickel, Herman Pravel and Walter Killing.

Birthdays, anniversaries, guests, births, parties are all news—all the society editor about them.

Following the close of the Cuba drive for coat hangers, Duane Hoffman turned in 740 hangers which he had collected with the help of Jimmy Alain.
