Customers' Corner

Wanted: One First Class Crystal Ball!
Serving folks for almost a century now, we like to think we're pretty good at knowing just what they want and how to please 'em best. But experience and intuition can go just so far.
Sometimes we think we could use a "crystal ball" to find out if customers have "something on their mind" they're not telling us—that we don't know, but should—in order to serve them better.
Have you something on your mind that concerns us? We'd appreciate knowing it—then the crystal ball won't be necessary. Please write:

TIM BALDWIN, 13-year-old son of Mr. and Mrs. Kirk Baldwin, 788 Harmon, is shown in action in the Detroit Recreation hockey league at Olympia Stadium. He is a member of the Aladdin Lamp squad in the class A top, and games are played twice weekly. Complete uniforms, with the exception of skates are furnished by the recreation department. Recently the Barrum Junior High School eighth grader was selected on the league's all-star team which will make a trip to Saulte Ste. Marie later this month. Frequently Detroit Red Wing players and officials attend these games and give pointers to the participants. Tim, who has been skating for several years, first learned on Querton lake. On Friday, Feb. 22, he will travel with the All-Stars to the hotbed of Canadian hockey, Galt, Ont., to play against the Galt Junior B All Stars. This Ontario district has produced many National League hockey stars.

No Information Available on School Board Agenda
The February meeting of the Birmingham Board of Education will be held Tuesday evening at Hill school, beginning at 8 p.m. Mrs. Alberta Deer, clerk of the board, said this week that no information was available on what items the agenda would include.

ZONOLITE INSULATION JUST POURS INTO PLACE
YOU CAN EASILY INSTALL IT YOURSELF
Just pour Zonolite Granular Fill between the joists in your attic, and between studs in your sidewalls, and you seal your home for year-round comfort! Yes, it's as easy as that. Anybody can do it. Flows in solid around pipes, braces, etc.—is virtually un-settling—will outlast your home—fireproof, rotproof, vermin-proof. Cooler in summer!—Warmer in winter!
