## Florida Journey Follows Cavan-Hines Wedding

It was off to Florida for newlyweds Mr. and Mrs. Robert Kipp Cavan following their late afternoon nuptials Saturday, February 9, at the First Presbyterian Church.

The bride, the former Nancy Winifred Hines, and her parents, Mr. and Mrs. Arthur Rhodes Hines, are former Birmingham residents now making their home in Scarsdale, N. Y.

Mr. and Mrs. Frank L. Cavan of East Surrey road, Fagcroft, are the parents of the groom.

**THE REV. ROBERT S. GRAHAM** performed the double-ring ceremony which took place at four o'clock. He was assisted by Dr. Glen Harris.

The bride's gown was fashioned with a lace bodice and a lace and net skirt over white satin. The neckline was of illusion, and her lace cap, trimmed with seed pearls, held a short veil.

The bride carried her prayer book with a white orchid, trailing stephanotis and ephedra.

Her sister Marilyn preceded her up the aisle in a gown cut similar to the wedding dress. Her rose lace bodice was finished with a net skirt over taffeta.

The net gathering on the back of her head was held by a carnation tucked in at each side. Her cascade bouquet was composed of matching carnations and ivy.

**FRANK L. CAVAN, JR.** was his brother's best man. Earl Guckelberg of Indianapolis and Gordon Richi ushered.

Mrs. Hines chose a slate blue taffeta costume for her daughter's wedding. She wore a white flowered hat and a white corsage.

Mrs. Cavan was in pale grey taffeta with a matching hat trimmed

MRS. ROBERT KIPP CAVAN  
with lilies of the valley. Her corsage was also of white.

The rites were followed by a small reception at Red Run Golf Club.

On their departure for Florida the bride wore a three piece brown ensemble with matching accessories.

Mr. and Mrs. Cavan will return February 24 to make their home in Royal Oak.

## No Place for a Heavy Foot!

You'd find it out, in a mile or so, even if we failed to tell you. But we think it's best if we tell you now—

—you must treat the accelerator with special respect when you take the wheel of a Golden Anniversary Cadillac!

Down under the hood of this gorgeous car is the most powerful engine ever used in standard American production.

So take it easy—wherever you drive.

Don't use that power to bolt away when the light turns green—and other cars have their ways to make in the traffic lanes beside you. And never use it for unnecessary speed,

or for dominating the streets and highways.

Use it, instead, for the thing it was put there for—

—use it to give you that easy, floating, comfortable ride which can come only when your engine is "loafing," and most of its power is in luxurious reserve—

—use it to give you that "shot ahead" when an opening shows in the traffic line—or when your safety calls for it—

—use it for a thrilling sense of mastery over car and time and space—

—use it, in short, for happiness and luxury—and for adding to your satisfaction as you sit at the wheel of your Cadillac!

As you would expect, of course, this

amazing performance is but one of the wonderful virtues that have been added to the Golden Anniversary Cadillac.

There is marvelous new beauty—inside and outside. There is a wholly new type of power steering—available as optional equipment at extra cost. And there is a great new Hydra-Matic Drive.

For its "year of years," Cadillac has certainly built its "car of cars."

Come in and see it—whether you feel you are ready for a Cadillac or not. It's an inspiration to inspect it—and it's an experience to drive it.

But if you do drive it, please remember—  
*it's no place for a heavy foot!*
