PTA to Meet
The Franklin PTA will meet at Franklin school at 8:00 p.m. next Tuesday, Feb. 26. Paul Carter, elementary coordinator for the Birmingham school system, will be moderator of a panel discussion whose subject will be "What do you want for your child that the school can help you achieve?" Discussion leaders, who will organize groups from the audience, are Winthrop Conrad, chairman, Mrs. Dudley Campbell, Norman Curtis, Mrs. Edward Elliott, Mrs. Winfield Hinman and Harry Rotiers. Matters of business to be settled prior to the discussion concern a proposed magazine drive and the selection of a nominating committee for the March elections.

Association Decisions
At their Feb. 11 meeting, members of the Franklin Community association approved the motions that the annual business meeting be moved from February to September and that the regular business meetings, now held monthly, be restricted to two to be held in January and May.

The proposed admission of women to the organization and the related motion establishing husband-and-wife dues were tabled. Officers elected to serve from February to September are Harry Rotiers, president; Phil Van Dyke, vice-president; Lincoln Parker, secretary; Murdoch Morrison, treasurer. Newly elected to the board of directors are Walter Bihler and Dr. Lynn Hershey.

Social Notes
The President's Ball, held last Friday night at the Forest Lake country club, is reported as a "successful and pleasurable event." Edward Green, outgoing president of the community association, was presented with a gift and the new officers were introduced to the gathering.

Cub Scout Dinner
In observance of Boy Scout month, the Birmingham Cubs will hold a Blue-and-Gold potluck dinner at the Community hall Friday, Feb. 22. Parents will be the guests of the boys, each den being responsible for its own menu and table decorations.

Two Fires
The Franklin Volunteer fire department has responded to two calls recently. A fire originating in a motor in the built-in refrigerator at the home of Dr. Lynn Hershey was confined to the refrigerator compartment. Late last Friday afternoon smoke issuing from the roof of the 13-mile road farm house owned by the W. J. McKinnens of Birmingham was detected by a neighbor, Mrs. Connel Shelton, who summoned the department. Her compartment of the fire, according to Leslie Fraser, deputy chief, enabled the department to confine it to a small area of the wood roof. The fire appeared to have been caused by sparks from the chimney. The house was unoccupied but was being prepared for tenancy.
