WORK OF THE CONSULTANTS

will be limited to a period during the preparation of preliminary plans. After completion of preliminaries, which will be some time this May, they are to be reviewed by an international committee of five architects, of whom Le Corbusier of France, is the only one so far appointed.

Saarinen, distinguished in his profession here and abroad, is consultant to the Detroit City plan commission on its civic center development.

He recently spent a month in Europe studying public squares and their place in city planning.

EXPERT KNOWLEDGE OF ALL FORMS OF INSURANCE AND HOW THEY SHOULD BE WRITTEN

1—Of the many policy forms covering the same general classes of risks, only ONE policy form is the right one for you.

2—Modern policies in all lines of insurance offer broad, comprehensive protection at low rates. Are you getting the benefit of them?

3—The insurance policy is a CONTRACT; carelessness or lack of knowledge in writing it can cause serious trouble in settlement of claims.
