Local Couple 'Adopts' French Girl Orphaned During Last World War

Newest in Birmingham's family of "Foster Parents" are Mr. and Mrs. Edward T. Bennett, Jr., 1224 Willow Lane. The Bennetts have "adopted" Mireille Colombani,

12-year-old French girl. Both of Mireille's parents were killed in World War II and she is now living with her grandparents in a tiny three-room house at Lorgues Var.

A report from the New York office of Foster Parents says the youngster is unusually intelligent and shows a definite talent for music, especially singing. A letter to the Bennetts from the office reads in part: "Through your generosity as Foster Parents, Mireille will be assured of the nourishing food and clothing she needs as well as any necessary medical care. Of equal importance will be your gift of friendship to this little girl."
